

# Outdoor Rocking Chair Assembly Instructions

1. Choose a clean, level, spacious assembly area. Avoid hard surface that may damage the product.
2. Read this instruction carefully before assembling.
3. Keep all hardware parts and packing out of reach of small children.
- ▲ 4. Do not fully tighten the screws until all the parts are assembled.**
5. Assembly is to be carried out by competent adults.
6. During assembly, children should be kept away from the product due to possible risk to injury.
7. Please keep this instruction after assembly for future reference.

## Parts List (BOX A )

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                       |                                                                                       |                                                                                       |                                                                                       |

#5\*8

#8\*1

### STEP6: Connect G and H together using accessories

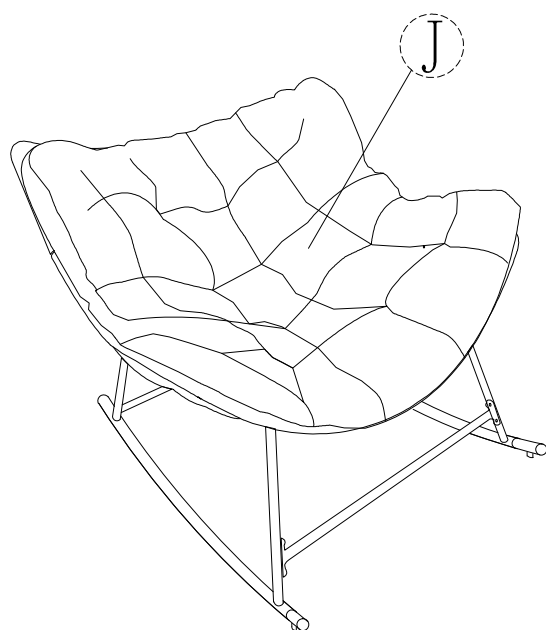

▲ NOTE: Install appropriate bolts, don't fully tighten at start up  
Alignment & Tighten fully when seat frame is complete

## STEP7

Put the cushion(J)  
on the base

Adjust the cushion  
straps as necessary

Please pat the cushion thoroughly  
after opening the vacuum bag, and  
it will rebound to 80-85% of its original  
shape after waiting 48 hours or more.  
Thanks for your patience and hope you  
enjoy it!
