

## Ovente BPA-Free Electric Kettle 1.7 Liter with Auto Shut-Off and Boil-Dry Protection (KP72 Series)

### Key Features

**BOILS WATER IN A FLASH** – This electric kettle operates on 1100W (120V) and boils a full 1.7L pot of water in less than 6 minutes! It is 50% more efficient than traditional stovetops in reducing your daily electricity use.

**CLEANEST DRINKING WATER** – Save yourself from the health-associated risks of ingesting harmful chemicals that come from a kettle's loose BPA particles. This fast-heating cordless boiler is BPA-free! You'll be sure that what you'll get is a clean drinking water that's safe for you and your kids.

**FIRE SAFETY FEATURE** – This one is equipped with auto shut-off feature and boil-dry protection technology: It shuts off on its own when the pot has reached its boiling temperature and switches off the heating element when there is no water in the kettle.

**DURABILITY WITH STYLE** – The Ovente cordless kettles are famous for their durability and style. Not only does it look great with its trendy colors, it is designed to last long too! It has a concealed heating element that extends your kettle's life, compared with non-concealed ones that deteriorate faster.

**LIMITED 2-YEAR WARRANTY** – All Ovente kettles have a two- (2) year warranty period from the date of purchase from an authorized retailer. This warranty only covers defects in workmanship and materials. Please note that you have to provide proof of purchase to request for repair or replacement.
