

Assembly Instructions for Model 21567207

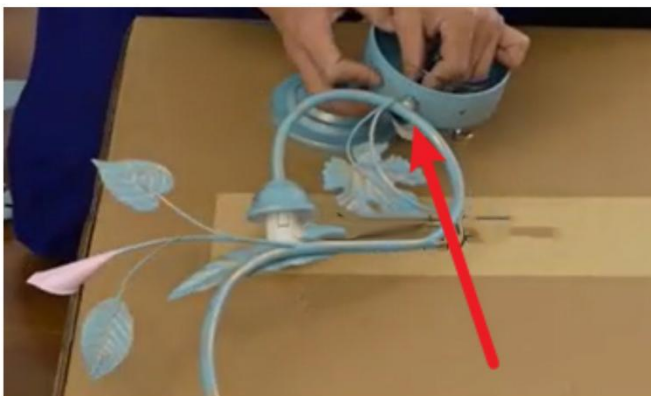

Assembly method

1. Loosen the screw and remove the cover of the lamp arm connection box.

2. Pass the lamp arm wire through the hole and fix it with a nut.

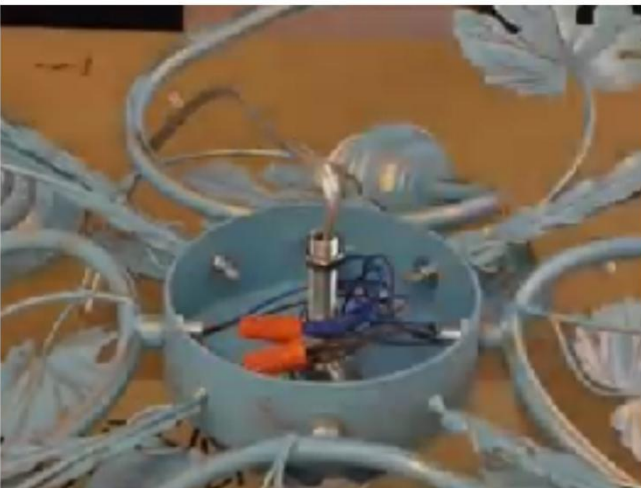

3. Install other lamp arms in the same way.

4. Remove the screw, fix the main lamp wire in the hole at the bottom of the screw, and then fix the screw back.

5. There are two colors of wires on the lamp arms. Connect them into two strands according to the color. Connect the two strands to the main lamp wire separately.

6. Pass the main lamp wire through the cover and fix the cover with a nut.

7. Pass the main lamp wire through the ceiling plate.

8. Install the flower decoration.

9. Remove the ring on the lamp holder.

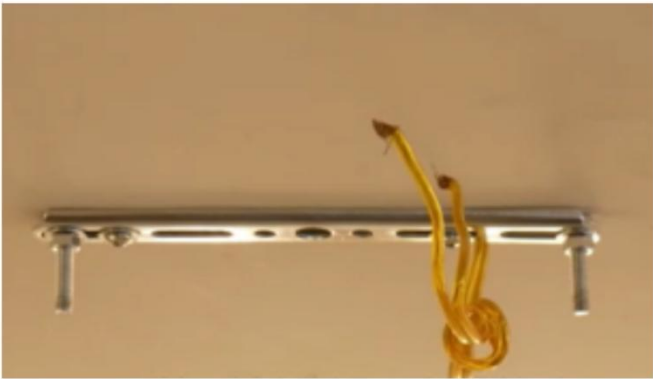

10. Put the lampshade in place and then screw in the ring.

11. Remove the mounting bracket from ceiling canopy of fixture body. Mark the drilling position on ceiling with the help of the mounting bracket.

12. Drill holes on the marks and stick the expansion anchors into the holes.
Fix the mounting bracket to the expansion anchors with self-tapping screws.

13. Hold the fixture close to ceiling.
Connect live line to one of the two wires from the fixture body.
Connect neutral line to the other wire from the fixture body.

14. Install the ceiling canopy onto the mounting bracket.

15. Install the bulbs. (not included)

The installation is complete.

Your fixture is now assembled and ready to use.
