

STEP 7

Place and hold the gym mirror on the mounting bar. Secure the mirror clip with screws provided with the anchors.

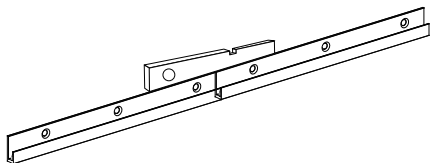

STEP 8

Put the washer into the mirror clips. Then secure round caps on the clip. (Repeat this step for the other two clips.)

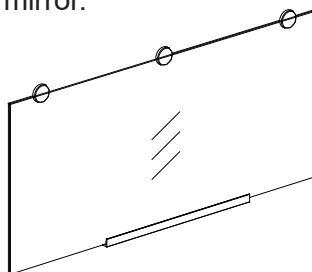

NOTES:

① If you need to splice and install two gym mirrors, please make sure that the mounting bars are in the same horizontal level.

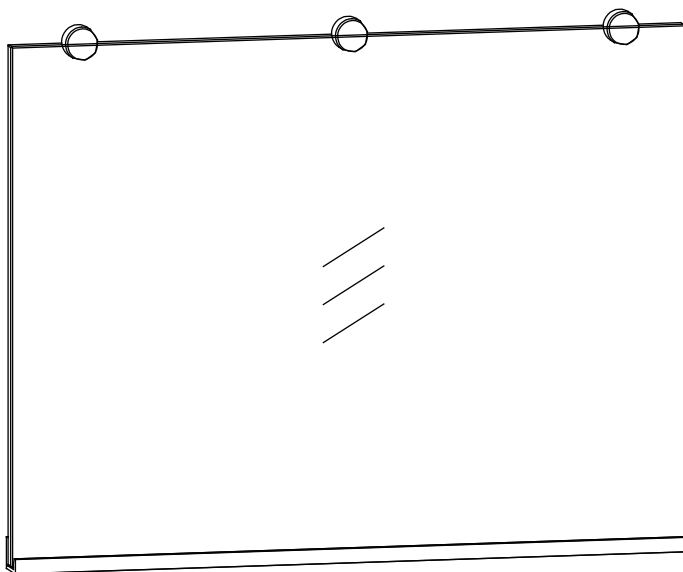

② If you want to hang the gym mirror horizontally, please place the mounting bar in the middle of the mirror.
