

5 Drawer Dresser

Congratulations on the purchase of your 5 Drawer Dresser. This dresser has been crafted to the highest standards of quality and will give you many years of enjoyment and practical use.

Since this is a natural wood product there will be variations in color and grain, and minor wood grain checking may occur. This is normal and does not compromise the integrity of your nightstand. Variation in the character of wood is integral to the beauty and appeal of natural wood furniture, and distinguishes it from lower quality materials.

On this insert you will find a list of the hardware and parts necessary for assembly, as well as detailed instructions. Assembly is quite simple and requires only a screwdriver.

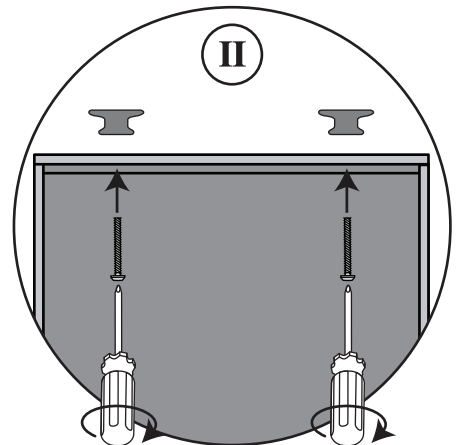

If you should require assistance with assembly, part replacement or any other matter, contact the toll-free Service Center
