Base Type: G9

Light Source Included: No

Voltage: 120V

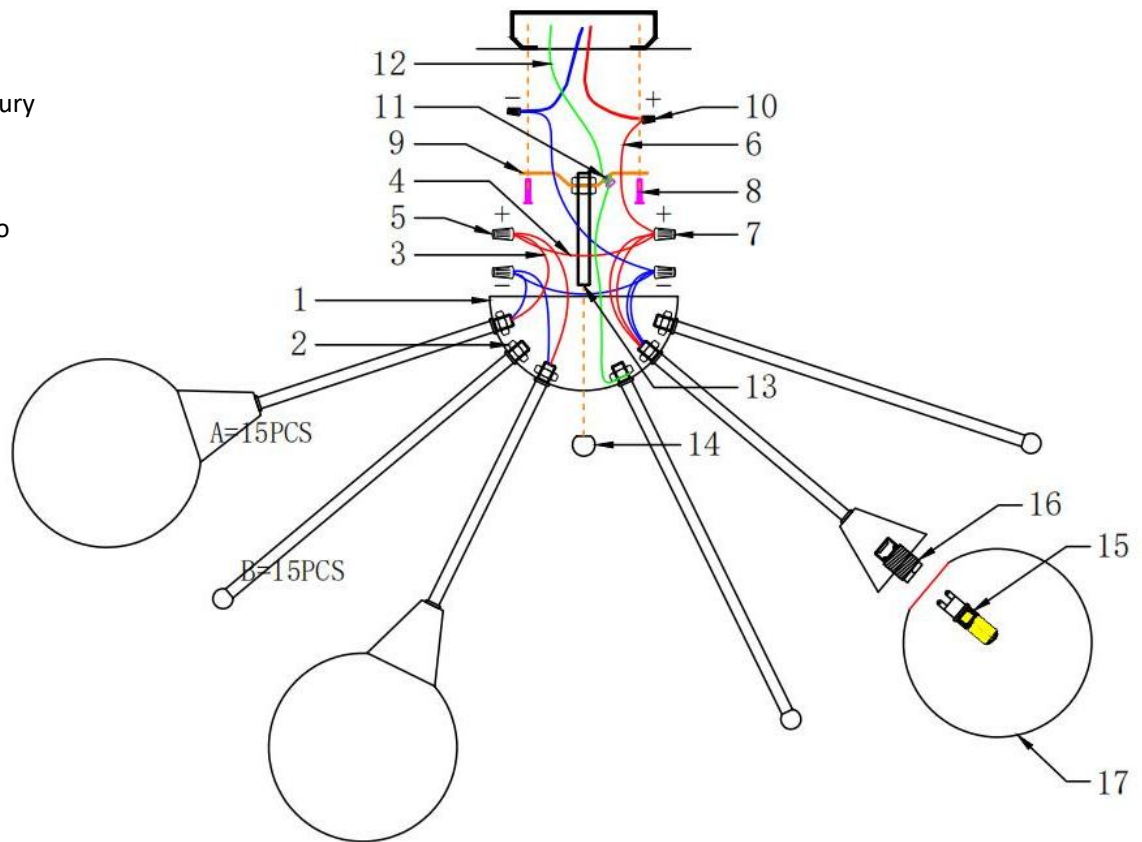

Wattage: 25W

Package includes

1 x Ceiling Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

- Insert tube (A) and tube (B) alternately through the fixture body (1), then secure them with nut (2).
- Connect the live wires (black) of the 8 lamp arm wires (3) to the live wires (black) of the lead wires (4) using wire connectors (5). Connect the neutral wires (white) of the 8 lamp arm wires (3) to the neutral wires (white) of the lead wires (4) using wire connectors (5). Ensure that no bare wires are exposed to prevent electric shock.
- Connect the live wires (black) of the remaining 7 lamp arm wires (3) and the other ends of the lead wires (4) to the live wire (+) of the main wire (6) using wire connectors (7). Connect the neutral wires (white) of the remaining 7 lamp arm wires (3) and the other ends of the lead wires (4) to the neutral wire (-) of the main wire (6) using wire connectors (7). Ensure that no bare wires are exposed to prevent electric shock.
- Secure the mounting plate (9) to the junction box using the junction box screws (8).
- Connect the live wire (black) of the main wire (6) to the live power supply wire (+) using wire connectors (10). Connect the neutral wire (white) of the main wire (6) to the neutral power supply wire (-) using wire connectors (10). Ensure that no bare wires are exposed to prevent electric shock.
- Use the green ground screw (11) to fasten the fixture ground wire (12) and the house ground wire to the mounting plate (9).
- Pass the mounting stud (13) through the center hole of the fixture body (1), then tighten the decorative nut (14) to secure the fixture.
- Install the light source (15) into the lampholder (16) as indicated and test for proper operation.
- Screw the glass shade (17) onto the lampholder (16) until fully secured.

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
