

Double Bunk Bed Cleaning and Maintenance & Mattress Care

Double Bunk Bed Cleaning Methods

General Stains (e.g., sweat, dust): Wipe with a damp cloth or sprinkle baking soda, let sit for 15 minutes, then vacuum.

Liquid Stains (e.g., drinks, urine):

For fresh urine, spray white vinegar, let sit for an hour, then blot with a damp cloth.

For drink stains, use diluted alcohol to wipe.

Blood Stains:

Fresh stains: Spray with cold saltwater to dissolve, then wipe.

Dried stains: Try a paste of cornstarch, salt, and hydrogen peroxide.

Mold/Mildew: Scrub with diluted disinfectant, then air-dry in sunlight (except for latex mattresses).

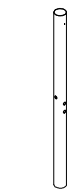

Mattress Cleaning & Dust Mite Control

Mattress Size: 75" x 54" x 3.93".

Baking Soda Deodorizing: Sprinkle baking soda evenly, let sit for 30 - 60 minutes, then vacuum to absorb moisture and odors.

Steam Cleaning: Use a steam cleaner for deep sanitization (kills bacteria and dust mites).

Professional Dust Mite Removal: Consider a professional dust mite remover or brand-sanctioned cleaning service.
