Design Features

- Color Changes Everything – Showcasing 16 different colors that you can either pick your favorite from, or mix and match any two-color pairings for over 120 possible combinations and effects for your garden, holidays and so much more
- Flexible Aesthetic – For a more traditional option, choose between dimmable warm white (2200K), soft white (2700K) and daylight (5000K) modes with 10-level dimming to create the perfect ambiance for your landscape
- Easy Installation – Everything you need is already in the box, choose the option that is best suited for your style and plug in – simply place on the ground using the included stake system, or mounted via keyholes

Installation Recommendations

- Give your yard a colorful makeover with Enbrighten Seasons LED Color-Changing Landscape Lights. These landscape lights will keep your outdoor space looking bright and colorful all year round, and you'll never need to replace a bulb. A wireless remote is included to conveniently change your lighting scheme with the touch of a button. Featuring 12 commercial grade bronze metal puck light fixtures on a 110-foot wire (with 22-foot lead), Enbrighten landscape lights are perfect for decks, patios, pathways and more – find a style for every season!
