

Suggestion: To make the installation process easier and faster, we recommend that Two people work together to install the Bedside Table

When dealing with this product, please refrain from simply throwing it away. Instead, kindly dispose of it in the designated recycling container.

IMPORTANT:

1. Please read the instructions carefully before assembling the product.
2. Before starting the assembly process, check the package carefully to make sure all necessary boards and parts are included.
3. Before assembly, put all parts and boards in an open area. Ensure that you have the correct parts before screwing them in place.

Warning:

1. During assembly, keep all small objects out of the reach of children, as they may be fatal if swallowed or inhaled
2. Never allow children to climb or play around the product to protect children from injury caused by the tilting of the product.
3. To avoid the potential dangers of suffocation, please keep all parts and packaging away from children.

ATTENTION

1. When you begin each step, please check carefully whether you have taken the correct parts, so as not to use the wrong parts and cause the wrong assembly.
2. We recommend that you do not rush to tighten the screws. It is best to tighten the screws to two-thirds first, after all the steps are finished and the position is well adjusted, then tighten
