ASSEMBLY & INSTRUCTION MANUAL

EROMMY PRODUCT INSTRUCTION

Remember that the assembly might take **2** hours and requires **2** people.

REMEMBER

EROMMY isn’t responsible for replacing parts lost or damaged during assembly. If you have issues, Email: **service@erommy.com** or Tel: **8886766299** instead of returning the unit.

IMPORTANT

Finalize site preparation and foundation construction before unpacking. Remove all parts from the packaging and check the right count and type of pieces before assembling.

CAUTION

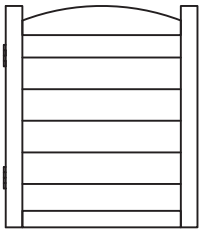

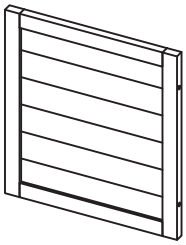

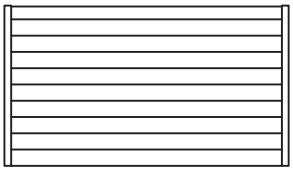

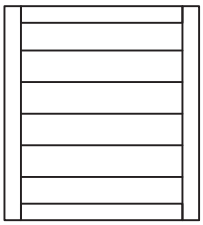

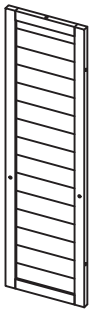

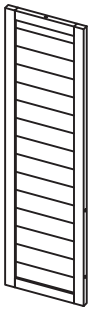

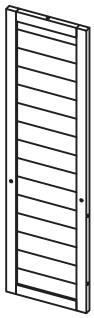

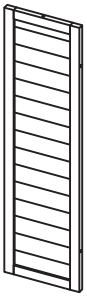

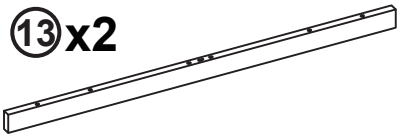

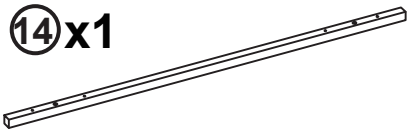

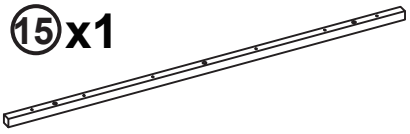

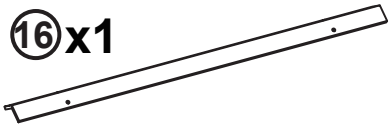

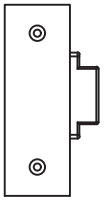

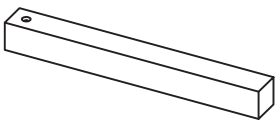

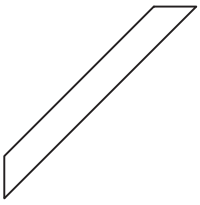

- Consult local authorities to ensure you have the required permits and are aware of any applicable local building regulations.
- It's crucial to review the site preparation information in the manual beforehand to get everything ready.
- Read instructions thoroughly before starting assembly. Follow the steps carefully because the kit contains parts that might be damaged if constructed incorrectly.
- Please handle the kit with caution since some parts have sharp metal edges.
- Avoid working in severe winds or extreme cold and wear gloves, eye protection, and long sleeves during assembly or maintenance.

BRAND STORY

With the ideology of “closer to life” in our mind, EROMMY is committed to bring you the most refinded and trustworthy products that fits your need. Our vision is to empower every customer to stay close to nature and ultimately transform their lifestyles.

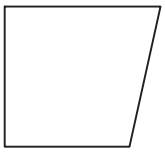

EROMMY, Closer to Life!
