

Assembly Instructions

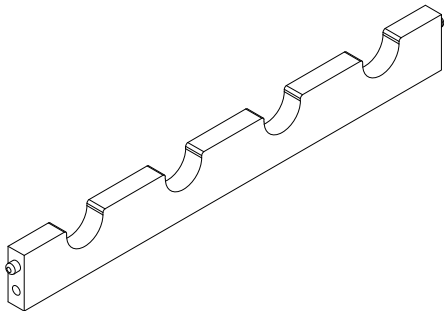

Parts Included

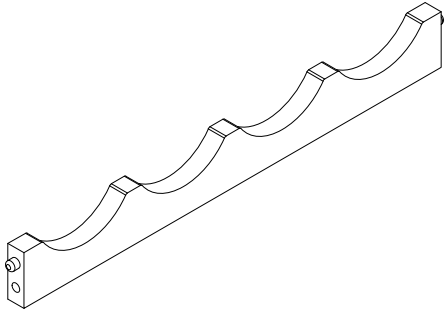

A * 2pcs

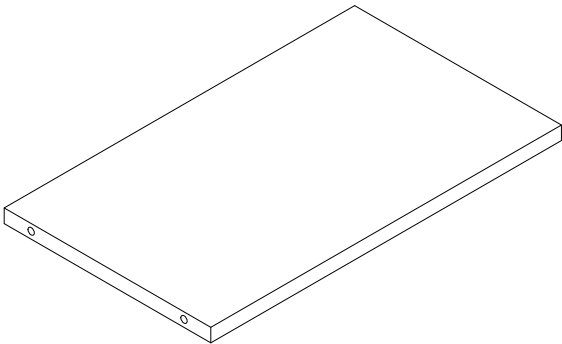

B * 2pcs

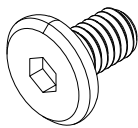

C * 5pcs

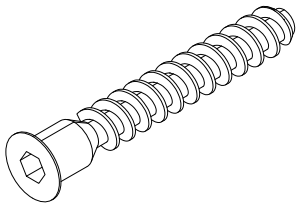

D * 5pcs

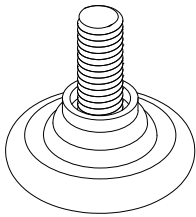

E * 1pc

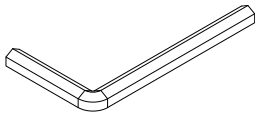

① 4+1pcs

② 24+2pcs

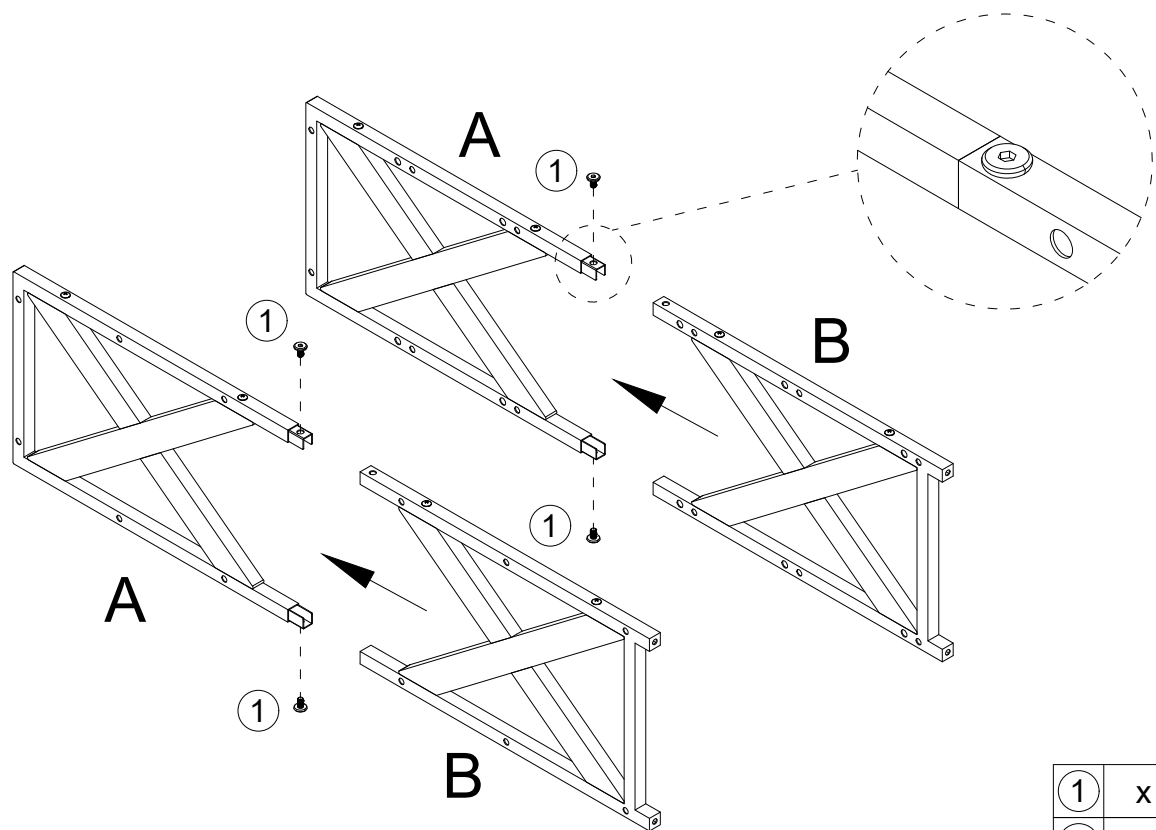

③ 4pcs

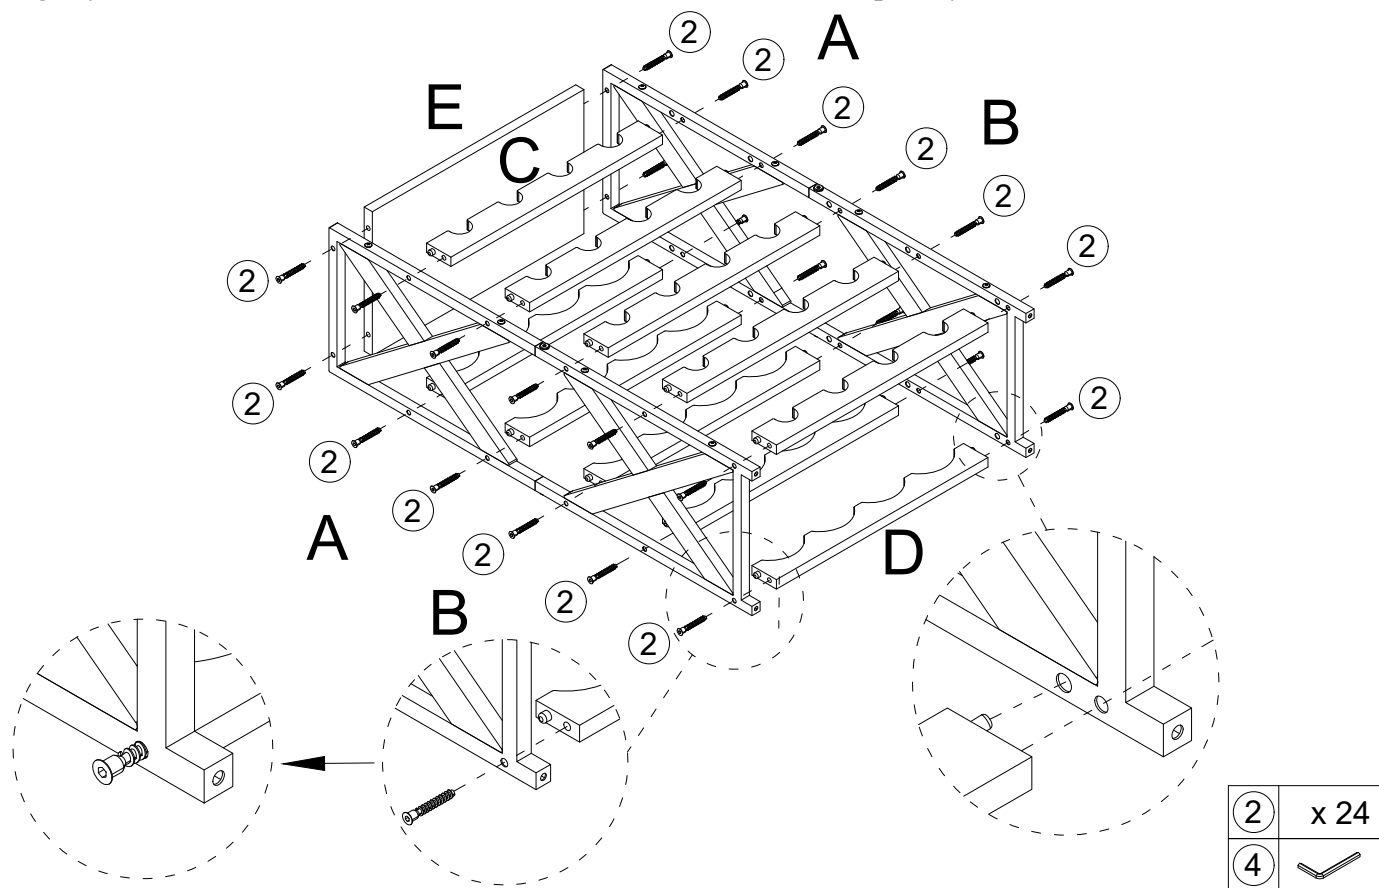

④ 1pc

Installation Steps

1. Connect the iron frame A and iron frame B, and then use the screw ① through the holes to fix them together.

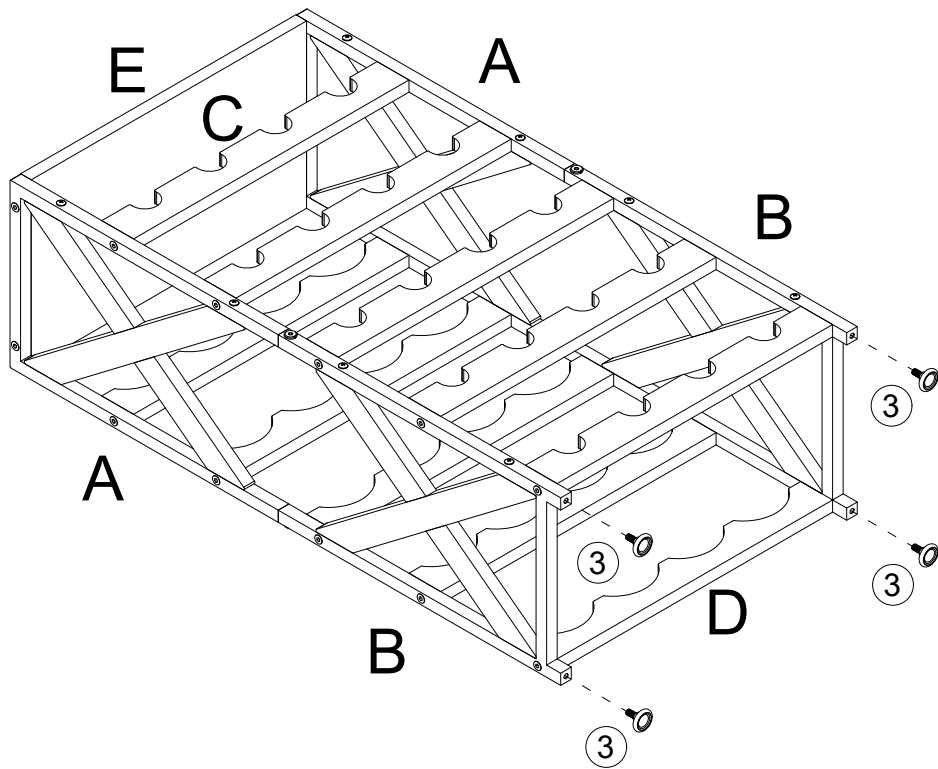

2. Use screws ② to connect wooden strips C, D and board E to the iron frame AB, but do not lock tightly. When all the screws are connected, lock the screws completely.

Installation Steps

3.Lay the assembled wine rack down and install the four adjustable feet ③ . If the wine rack is not stable, please adjust the bottom adjustable feet.

③	x 4
