

Thermo-Serv® Flip-Top Carafe

FOAM INSULATED SERVER

The **Thermo-Serv® Flip-Top Carafe** is an industry staple introduced in 1956 that features a durable ABS plastic shell with double-wall foam insulation. Ideal for serving hot coffee and water at the perfect temperature for 2-3 hours. Sonic welded seams create an ultra-smooth body, and metallic flakes give the finish a touch of sparkle.

Available in 3 Colors

- BLACK
- COPPER
- GOLD
