During Installation

1. Do not discard packing material until assembly is complete, as small parts may loosen inside the carton during shipping. If there is a missing part, please contact our after-sales team.
2. Please assemble this item on soft surfaces such as carpets to protect the finish.
3. Pay attention to stability when assembling to avoid falling or scratching.

Cleaning and Maintenance

1. To protect the finish, avoid chemicals and household cleaners.
2. Keep away from the heat source to prolong the service life.
3. Wipe off any remaining liquid on the surface with a damp cloth.
