

Enjoy fine-dining outdoors with the **Dining Collection** from Hanover. This coastal chic collection includes a variety of patio tables and chairs that are built to last outdoors using heavy-duty aluminum frames and treated with a multi-step, weather-protective finish. Each chair is bound with a durable, sling fabric that is contoured for relaxed seating and back support. This sling material is extremely quick to dry and is perfect for poolside dining. Both fabric and frames are designed with earthy color tones that easily complement any environment they're placed in.

The tables offered in the Collection are available in a number of shapes and sizes with tempered glass or cast-aluminum tabletops. An expandable table is available as well so you can accommodate all those last minute guests within a moment's notice. Whichever set you choose is sure to create a comfortable and attractive dining area for family and friends to enjoy for year after year.
