Hidden Truth 2

D2200S44011-3555

Hidden Truth I is an exquisite piece reminiscent of Robert Rauschenberg's early work of the 1950s. Rauschenberg's work is marked by a departure from traditional artistic conventions that include collage.

This minimalist work on canvas features both paint strokes and drawn marks. In a nod to Rauschenberg, bits of newsprint have been collaged onto the canvas. That, along with dabs of paint, gives the work a textural feel. Shown in an understated color palette of sand, champagne, and charcoal, Hidden Truth 1 is an original and exclusive work of art for ART by TA.
