1* Wall Light

Application

With a lighting area of 53.82-86.11sq.ft, it is suitable for lighting and decorating in bedrooms, dining rooms, studies, living rooms, balconies, clothing stores, cafes, hotels, and other places.

Notes

1. Please use the lamp within the applicable voltage range and clean lamps regularly. Please cut off the power supply when you clean the light or replace light bulbs.
2. Please make sure the power is cut off before installation. To ensure your safety, we recommend that two people install this chandelier together. Please install it by someone with an electrical license if necessary. Please wear electric insulation gloves (not included) and avoid scratching the surface of the lamp and the electric wire when installing.
3. Please use it in a dry environment. It is not suitable for outdoors and bathrooms.
4. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
