C10967 • Kyoto Cabinet - White Wood

36.5h x 81.5w x 21d
Wood

The Kyoto Cabinet – White Wood is a refined statement piece inspired by classic Chinoiserie design. Finished in a soft white wood tone, the cabinet features hand-painted botanical motifs with delicate branch and blossom detailing, set against a luminous gold leaf églomisé panel with a glass inset top. Raised detailing along the front and sides adds depth and craftsmanship, while the clean silhouette keeps the look modern and versatile.
