Obtaining Service

SKYX recommends using a professional electrician for all installation, removal and repair of its Products.

A warranty claim may be made by returning the Product to the distributor or retailer from whom the Product was purchased with proof of purchase (original sales receipt) and a written claim briefly describing the defect. Purchaser is responsible for all shipping and handling charges on returned items unless otherwise specified. Purchaser bears the risk of loss during shipment.

If the distributor or retailer is not available, you may obtain warranty service by emailing returns@skyplug.com and including the Product model number, proof of purchase (original sales receipt), and a written claim briefly describing the defect.
