Patio Umbrella 11FT

Patio Umbrella 11FT

Attention for assembly

1. Read the instruction carefully and completely before assembling the product.
2. Follow the instructions step by step. Any wrong operation might damage the product, which will not be considered as quality defect of product itself. Any return caused by this reason will not be accepted.
3. Place product on soft floor (carpet, cardboard, wood) for assembly to prevent scratching or damage, never on concrete, sand or slate floor.
4. Verify all components and hardware are included according to the part list before start assembling. In case of missing of any part, stop assembling and contact us right away.
5. Do not use the product until all the components, screws, bolts, nuts are fastened tightly.
6. Contact us when you have any problem regarding assembly or any product issues, we will respond as soon as possible to help you out of problem. Don't return the goods on your purchase platform right away.

Maintenance

1. This patio umbrella is used as a sunlight canopy, it is not rain/water proved.
2. This patio umbrella is designed to be used with a base (not included). If you use it free standing, you will need a base of minimum 40 pounds weight. If you use it through the center of a table, you will need a base of minimum 16 pounds weight. Heavier weight of the base, more wind resistant ability of this umbrella.
3. Don't use this umbrella in bad weather days. Wild wind will cause damage of product.
4. Fabric might be color faded by a period of use, especially under strong sunlight.
5. It is recommended to replace a new umbrella canopy every year. (purchase on www.abbblestore.com)
6. Clean the product with a damp cloth.
7. Outdoor use only.
