### Specialities

|          |                                                                                                                                                     |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Products | Ristretto<br>Espresso<br>Coffee<br>Cappuccino<br>Espresso doppio<br>Macchiato<br>Latte macchiato<br>Flat white<br>Portion of milk foam<br>Hot water |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------|

|                              |    |
|------------------------------|----|
| Number of speciality coffees | 10 |
|------------------------------|----|

### Specific advantages

|                                  |   |
|----------------------------------|---|
| Transmitter supplied as standard | - |
|----------------------------------|---|

### JURA standards

|                                                 |                                         |
|-------------------------------------------------|-----------------------------------------|
| Pulse Extraction Process (P.E.P. <sup>®</sup> ) | ✓                                       |
| One-Touch function                              | ✓                                       |
| Grinder                                         | Multi-level Aroma <sup>G3</sup> grinder |
| High-performance pump, 15 bar                   | 1                                       |
| Thermoblock heating system                      | 1                                       |
| Fluid systems                                   | 1                                       |
| Milk system / interchangeable milk spout        | HP1                                     |
| Powder chute for ground coffee                  | ✓                                       |
| Aroma preservation cover                        | ✓                                       |

**Operating and programming standards**

|                                                                   |                   |
|-------------------------------------------------------------------|-------------------|
| Compatible with J.O.E.®                                           | ✓                 |
| Display                                                           | TFT color display |
| Programmable and individually adjustable amount of water          | ✓                 |
| Programmable and individually adjustable coffee strength (Levels) | 10                |
| Programmable brewing temperature (Levels)                         | 3                 |
| Programmable temperature of hot water (Levels)                    | 3                 |

**Design and materials**

|                                |   |
|--------------------------------|---|
| Amber / white cup illumination | ✓ |
|--------------------------------|---|

**In figures**

|                                             |                  |
|---------------------------------------------|------------------|
| Height-adjustable dual spout                | 2.7 - 5.4 inches |
| Height-adjustable coffee spout              | 2.7 - 5.4 inches |
| Height-adjustable cappuccino spout          | 2.7 - 5.4 inches |
| Height-adjustable hot water spout           | 2.7 - 5.4 inches |
| Water tank capacity                         | 36.8 oz          |
| Bean container holding capacity             | 4.4 oz           |
| Coffee grounds container (approx. servings) | 10               |
| Cable length (approx.)                      | 3.6 feet         |
| Voltage / Power                             | 120 V ~ / 1450W  |
| Ampacity                                    | 10 amp           |
| Stand-by power                              | 0 Watt           |
| Weight                                      | 20.7 lbs         |
| Article Number                              | 15281            |
| Width                                       | 10.7 inches      |

|        |             |
|--------|-------------|
| Height | 12.7 inches |
| Depth  | 17.5 inches |
