

ASSEMBLY INSTRUCTION

MODEL NO:Dining table

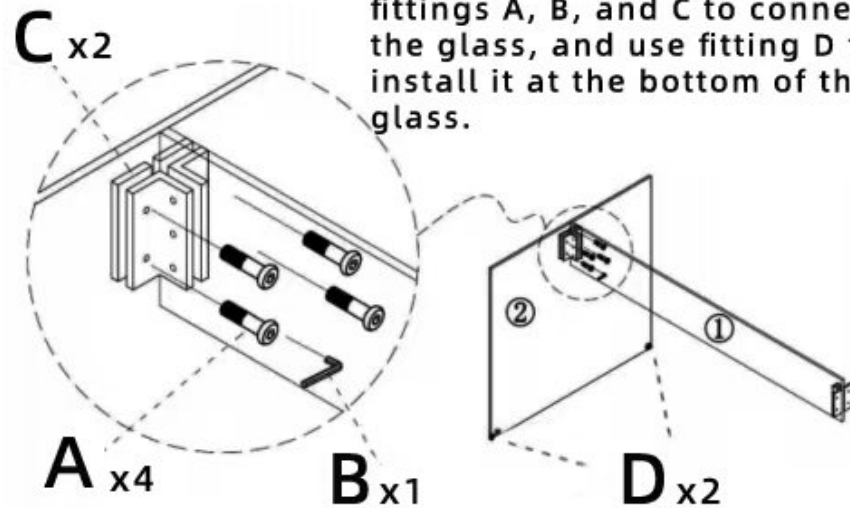

FITTINGS

STEP 1

Two-person installation

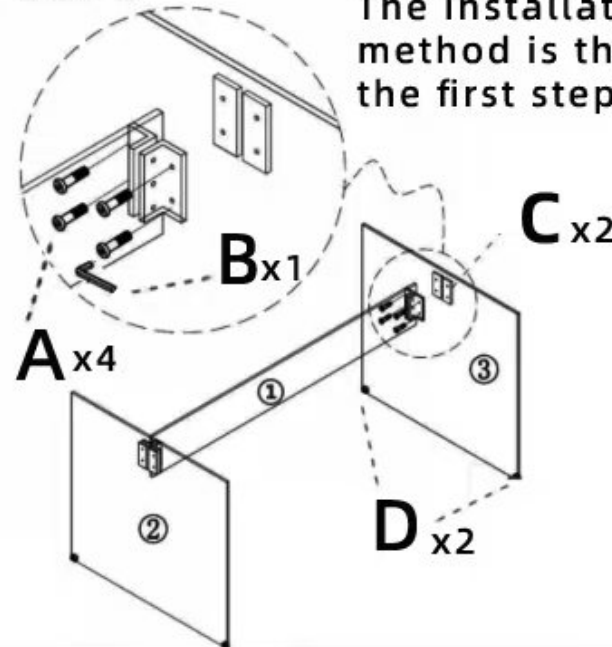

As shown in the figure, use fittings A, B, and C to connect the glass, and use fitting D to install it at the bottom of the glass.

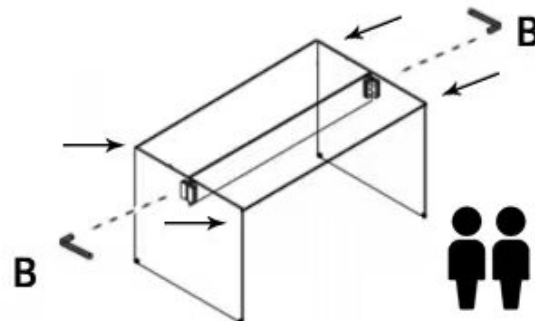

STEP 2

The installation method is the same as the first step.

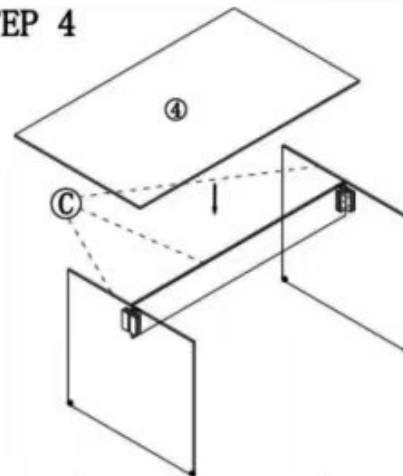

STEP 3

Place the glass panels into position and check whether the three glass pieces are aligned. If not, slightly loosen Screw A (do not remove it completely, as this may cause slipping). shift the glass forward or backward until aligned. Then retighten Screw A.

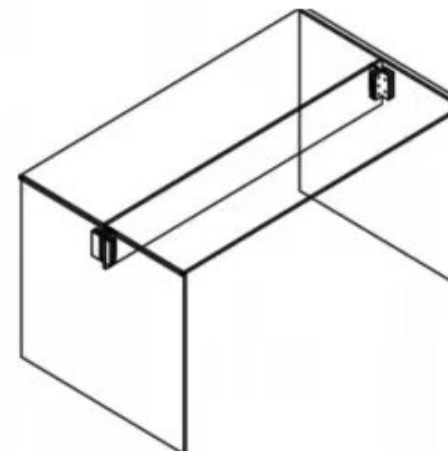

STEP 4

Once alignment is confirmed, carefully remove the glass panels. Attach double-sided tape E to the edges of the glass as shown. Then place the glass panels back into position.

STEP 5

Assembly is complete.
Thank you for your purchase!

NO:	PATTERN:	SIZE:	QTY:
A		M8*22	8
B			1
C			4
D			4
E			2

Warm Tip:
When using Screw A to connect glass panels No.1, 2, and 3, do not fully tighten the screws at first. After all screws are loosely in place, make sure the structure is vertically aligned and both side glass panels are parallel. Only then should you fully tighten all the screws to complete the assembly.
