

Congratulations!

Patioflare Owner

We're delighted that you've chosen to enhance your outdoor space with our eco-friendly and stylish patio furniture. To ensure that your investment lasts for years to come, we've put together this comprehensive care guide. Follow these simple steps to keep your outdoor oasis looking beautiful and inviting.

Before Using...

- Check the product for damages from transport.
- Remove all packaging materials.
- Refer to the assembly instructions and check all parts are available that are listed on the part list.

Safety Information

Read these instructions and retain them for future use. If this product is passed to a third party, include this guide with the product.

- For domestic and outdoor use only.
- This product must be assembled by an adult.
- Do not let children climb or play with the product.
- Always use the product on a firm level ground.
- Do not over-tighten the fasteners
- Regularly examine the product for wear and tear.
- Do not stand on the seat.
- Do not sit on the armrest.
- Keep flammables away from the product.

The product is intended for users up to 286 lbs. (130kg)

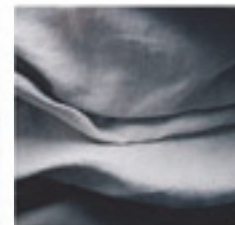

The Patioflare Plus Collection is made from GRS- certified frames and fabrics. This certification verifies the use of recycled materials. This is our commitment to a circular economy that reduces waste.

Cleaning & Maintenance

Frame

Use a clean damp cloth to wipe away dirt. Clean with soapy water when needed. Do not use cleaners with harsh chemicals.

Cushion Covers

For furniture with cushions, regularly brush off or vacuum debris and dirt. Machine wash in warm water or cooler. Lay flat to dry. Do not dry clean.

Hardware

Check screws and fasteners from time to time for maintenance. Tighten any loose screws, and replace any parts that are damaged.

PROTECT

Apply UV & sun shield protectant annually to enhance the longevity and vibrancy of your outdoor furniture. This quick and easy application forms a protective shield, safeguarding against the sun's harsh UV rays and preventing fading or discoloration.

STORAGE

While our outdoor furniture is designed to withstand the elements, extended exposure to harsh weather conditions can take a toll. Consider storing your furniture in a sheltered, dry place, or use protective covers to shield it from rain, snow, and direct sunlight.
