45h x 19.75w x 19.75d

Metal/Fabric/Glass

Antique Brass/Black/White

A study in form and beauty, The Indicus Chandelier is a sculptural statement. Glass geometry glows when illuminated to create a graceful light source and reflects natural light with subtlety and charm. The multi-drop elements suspend from height-adjustable cords for custom flexibility across a myriad of applications. (Each wire is 10.5' long and can be adjusted to suit any space)
