DINING SET

STEP 1

The diagram illustrates the first step of assembly: attaching the backrest (B) to the chair seat (A). A large arrow points down towards the seat. A circular inset shows the connection point where the backrest is attached to the seat. A circular inset labeled "X4" shows a close-up of the connection point, with numbered parts 1, 2, 3, and 5. Part 1 is a screw, part 2 is a washer, part 3 is a nut, and part 5 is a bolt. The inset shows the backrest being attached to the seat using these parts.

STEP 2

This diagram illustrates the second step of assembly. The main view shows a chair frame with a seat (A) and a backrest (B) that has a curved support. A horizontal bar (C) is being attached to the backrest. A circular inset provides a magnified view of the connection point, showing a hand using a screwdriver to tighten a screw (4) into a pre-drilled hole in the bar (C), which is being secured to a vertical frame member. The label 'X2' indicates that this step is repeated for the second side of the chair.

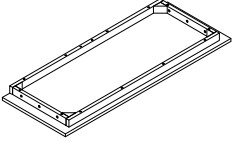

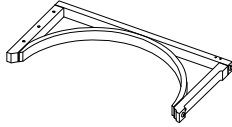

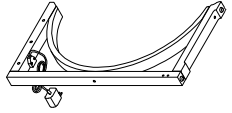

STEP 3

Diagram illustrating the assembly of the chair backrest (Step 3). The diagram shows the chair frame (A, B, C, D) and the backrest (E) being attached to the frame. The backrest is secured using screws (4) and a screwdriver (5). The assembly is shown in two views: a side view and a top-down view. The top-down view shows the backrest (E) being attached to the frame (A, B, C, D) using screws (1, 2, 3, 4, 5). The diagram is labeled "STEP 3" and "X4", indicating that the assembly is repeated four times.
