25A	Pot Hook Straight	6
25B	Pot Hook Angled	6
26A	5/32 Hex Wrench	1
27A	1/4" Toggle	2
30A	Wood Screw	2

INSTALLATION INSTRUCTIONS

Provided: Installation wall anchors, bolts and hex wrench.

You will need: level, tape measure, pencil, drill and 1/8" drill bit, hammer and nail

1. Decide where you want to place your utensil bar. Consider the height of the wall where the bar will hang, keeping in mind how far below the bar your pot and utensils will hang. On the wall (use a level to ensure that the bar is horizontal) mark the two points where the bar will attach. Then tap a small nail through each mark to be certain a stud is not in the way. (NOTE: because your utensil bar includes toggle anchors that can hold 100s of pounds, you DO NOT need to locate and bolt to studs.)
2. RACK IT UP!'s drywall toggles eliminate the need to bolt your pot rack to a stud. You can install your rack securely into drywall.

INSTALL IN WOOD: If you need to install one or both sides of your rack in wood, use as many of the four wall screws (30A) included, but without a red sleeve.

PAINTABLE: Want a different color? The finish on this pot rack can be spray painted any color. We recommend Rustoleum "Hammered" colors for their metal-like finishes, however any quality spray-can paint may be used. See a paint retailer for guidance

WARNING: It is important that your pot rack is assembled correctly. If the unit is assembled or used incorrectly, it could become unstable and collapse, possibly causing injury.

LIMITED WARRANTY: This product is warranted to be free of material defects, other than that from normal use, for a period of one year from the date of purchase. Customer's exclusive remedy shall be the repair or replacement of the defective product and shall be subject to the following conditions: (1) notice of any defect is received by Rack It Up within the warranty period and (2) customer returns the defective product to Rack It Up, 24 Colwell St., Port Hadlock, WA 98339, postage prepaid within 20 days following a return authorization number (which may be obtained by telephoning the number at the top of this instructions) being provided to the customer by Rack It Up. There are no other warranties, expressed or implied. There are no warranties of merchantability or fitness for a particular purpose. RACK IT UP specifically disclaims any and all incidental or consequential damages arising out of the purchase or use of RACK IT UP'S products.
