

**Malden International Designs  
19 Cowan Drive**

March 29, 2023

This letter is acknowledgement that Malden International Designs does extensive compliance testing of its products in China through Bureau Veritas. According to these tests Malden meets or exceeds the standards of State and Federal agencies pertaining to being CANFER Compliant

If there are any questions pertaining to this or any other items of business, please do not hesitate to contact me.

Sincerely,  
John Aucello  
President  
Malden International Designs
