

# Stand Installation Steps

## Step 1

- 1 Open the package and check whether the accessories are complete.

## Step 3

- 3 First secure the shelf and columns, then thread the screw through the washer and columns into the shelf, and tighten the nut to secure it.

## Step 5

- 5 Install the right-angle clip strip with the back side facing up, then screw it in.

## Step 2

- 2 As shown, place the shelf board flat on the surface and position the columns at the corners of the

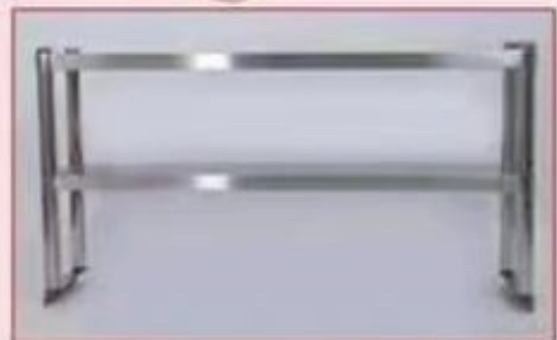

## Step 4

- two shelf boards.

- Fix other columns and laminates in the same way. (simply fasten the screws)

## Step 6

- 6 Installation is complete. Stand the shelf, tighten each screw, and the installation is complete.
