## Notes

1. Please check the product size carefully before purchasing.
2. Please do not place food directly on the stainless steel grill. Please use the special paper (not included) for the air fryer.
3. Please wait for the product to cool down before cleaning.
4. Please note that food and other items are not included.
5. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
