Kitchen Baker Rack

MODEL: HBJ-GW-04

MODEL: HBJ-GW-04

Note: The product picture is for reference, the actual details shall prevail

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

WARNING: READ AND FOLLOW THESE SAFETY INSTRUCTIONS CAREFULLY BEFORE USE TO PREVENT PERSONAL INJURY, PROPERTY DAMAGE, OR PRODUCT FAILURE. KEEP THESE WARNINGS FOR FUTURE REFERENCE.

- 1. HOT SURFACE HAZARD:** The baking rack becomes extremely hot during and after use. Always wear heat-resistant oven mitts or gloves when handling the rack. Do not touch hot surfaces with bare hands to avoid severe burns. Allow the rack to cool completely before cleaning, moving, or storing.
- 2. TEMPERATURE LIMIT:** Do not use the rack above the maximum temperature stated on the product nameplate. Exceeding the temperature limit may cause warping, coating damage (if applicable), or release of harmful substances, which may lead to injury or product failure.
- 3. PROPER PLACEMENT:** Always place the rack on a stable, heat-resistant surface (e.g., oven tray, countertop) to prevent tipping, slipping, or accidental spillage of hot food. Ensure the surface can support the rack's maximum load capacity. Do not place the rack near flammable materials (e.g., paper, cloth, oil) or direct open flames.
- 4. LOAD LIMIT:** Do not exceed the maximum load capacity stated on the nameplate. Overloading may cause the rack to bend, warp, or collapse, resulting in injury or damage to the rack and surrounding items.
- 5. SHARP EDGES CAUTION:** Some edges of the rack may be sharp. Handle with care during assembly, use, and cleaning to avoid cuts or lacerations. Keep fingers and hands away from sharp wire ends.
- 6. CHILDREN AND PETS:** Keep children and pets away from the rack during use and while it is hot. Do not allow children to climb on, play with, or touch the rack. This product is not a toy and should be used only by adults or under adult supervision.
- 7. FOOD CONTACT SAFETY:** This rack is designed for food contact use only. Ensure it is clean and free of debris before contacting food.

Do not use the rack if it is damaged, rusted, or has peeling coating, as this may contaminate food and pose health risks. Comply with EU 1935/2004 and FDA food contact material standards.

8. CLEANING AND MAINTENANCE: Clean the rack only after it has completely cooled. Use mild soap and water; avoid abrasive cleaners, scouring pads, or corrosive substances (e.g., acids, alkalis), which may damage the rack ' s surface. Dry thoroughly after cleaning to prevent rust. Do not use dishwasher if the product is not labeled dishwasher-safe.

9. ASSEMBLY CAUTIONS (if applicable): Follow the assembly instructions carefully. Do not use damaged or missing parts. Ensure all connections are secure before use. Assemble the rack on a soft surface (e.g., carpet) to avoid scratching floors.

10. NON-OVEN USE (if applicable): If the rack is labeled “cooling rack only ” or not marked “oven-safe,” do not use it in ovens, toasters, or other high-heat appliances. Non-oven-safe racks may warp, melt, or release toxic fumes when exposed to high temperatures.

11. COMPLIANCE STATEMENT

: This product is manufactured in compliance with applicable safety standards and regulations for the European Union, United Kingdom, United States and Canada. Do not modify the product in any way, as this may void compliance and create safety hazards..

12. RECALL AND TRACEABILITY: Retain the product nameplate and purchase receipt for traceability purposes. In the event of a product recall, follow the manufacturer ' s instructions promptly.

INTRODUCTION

Thank you for purchasing our products. Committed to providing customers with the best quality products and service has always been our lifelong goal. Before using the product, please read this instruction manual carefully to ensure correct use.

Keep the instruction manual in a place where the user can find it at any time.

ASSEMBLY PRECAUTIONS

There are many components and accessories in the package. Each component and accessory is labeled with a letter or a number, check carefully before using any of them. Keep them away from children to prevent accidents.

1. Assemble only according to these instructions. Improper assembly may create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep the assembly area clean and well-lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble if tired or when under the influence of alcohol, drugs or medication.
6. The product capabilities apply to properly and completely assembled products only.
7. If possible, you can use power tools to make assembly easier.
8. The main components of the product is relatively heavy. Please pay attention to safety during installation.
9. The product is not stable during installation, Please do not move it randomly before it is completely installed.
10. For additional information regarding the parts listed in the following.
11. pages, please refer to the Assembly Diagram of this manual. Unwrap and separate all parts in a clean work area.

***PLEASE BE SURE TO FOLLOW THE INSTALLATION STEPS IN THE MANUAL TO AVOID UNNECESSARY LOSSES CAUSED BY IMPROPER INSTALLATION.**

USE PRECAUTIONS

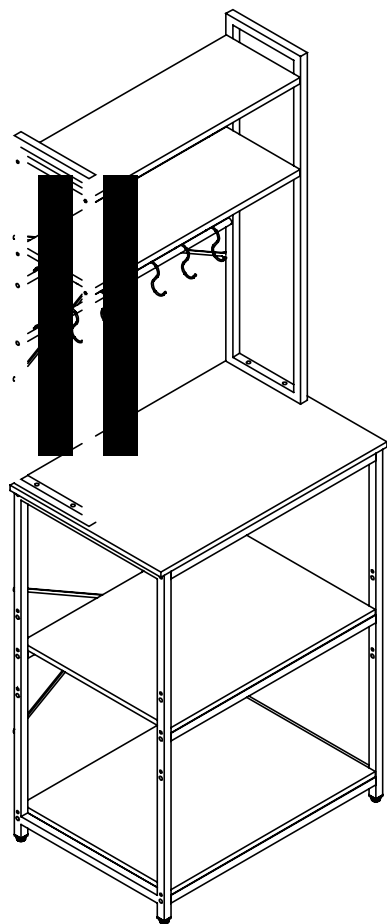

- 1) Do not exceed specified weight capacities.
- 2) Use only on a flat, level, hard, and smooth surface
- 3) Use as intended only.
- 4) Inspect before every use; do not use if parts are loose or damaged.

WARNING

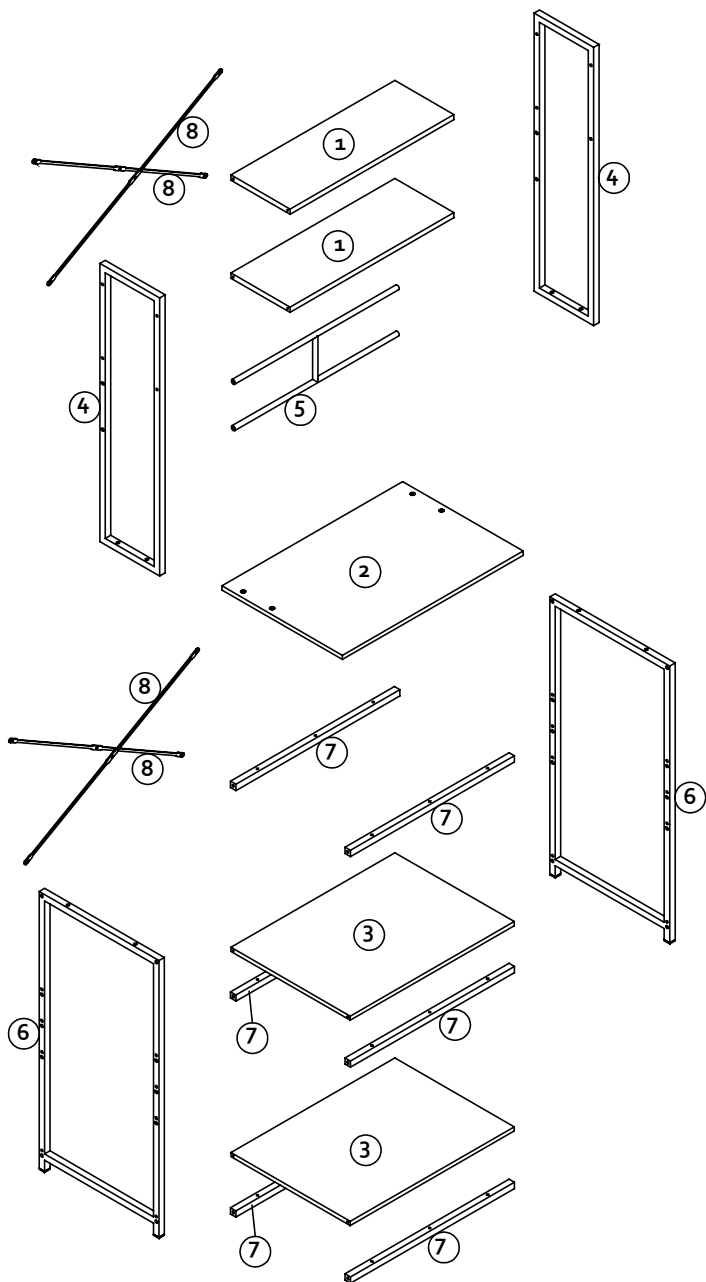

Children have died from furniture tipover. To reduce the risk of furniture tipover:

- **ALWAYS** install Anti-tip device provided.
- **NEVER** put a TV on this product.
- **NEVER** allow children to stand, climb or hang on drawers, doors, or shelves.
- Place heaviest items in the lowest drawers.
