Assembly Recommendations

 Read instructions, cover to cover

 Have 2-4 adults on hand for assembly depending on product size

 Do not assemble directly on flooring or carpet

 Assemble on a clean non-marring surface (example: packing foam)

 Save all packaging until finished

3. Assembly Notice:

☒ If you encounter any problems during assembly and find that you cannot continue, rest assured we will help you solve the situation as soon as possible. Simply keep all of the parts of the product stored in a safe place and contact us immediately so we may assist you further.

Once you have opened your package, remove all inner hardware packages and take the parts out. One by one, Lay out the parts neatly in front of you, then refer to the instructions to confirm that no parts are missing.

If any pieces are found missing,please carefully look in the box first, as the hardware packaging might have torn making the hardware spill in the box.

☒ Some key parts of your product may be stored and hidden inside of other parts. Please open any zippered or hook & loop storage compartments to remove all parts. (For example: LED lights may be stored in the bottom or middle compartment of the product.)

☒ IMPORTANT: During setup, DO NOT FULLY TIGHTEN THE SCREWS AT FIRST.

Place each screw into its properhole and use your hand to twist the screw halfway. Twist all thescrews halfway to ensure the holes align correctly and the product is level on the ground. When everything seemsproperly fitted, then tighten the screws. Please strictly followthe order of each step as outlined in the manual to make your installation easier and the product fit better.

☒ When you have completed assembly, we suggest you have more than one person to assist you with lifting and placing the product.
