TRAVERSE™

Technical Information

Included components:	
Bracket, left	1089189
Bracket, right	1082755

Installation Notes

WARNING: Risk of property damage. Do not modify the vanity in any way. Doing so will compromise the structural stability of the vanity.

NOTICE: If a bathroom sink will be installed: The plumbing must be roughed into the plumbing cutout area of the vanity. Refer to the bathroom sink roughing-in and the vanity roughing-in for proper placement. The water supply and drain lines must be installed before installing the vanity.

NOTICE: Select lag bolts according to your finished wall thickness and rated with a minimum of 300 lbs (136.08 kg) load bearing.

Install this product according to the installation guide.

Refer to the installation guide for the recommended mounting height.
