

DOOR CANOPY

SAFETY & WARNINGS

Warning

- Please follow the instructions as listed in this manual.
- For safety purposes we strongly recommend that the product will be assemble by two people.
- We strongly recommend the use of work gloves during assembly.
- Do not attempt to assemble the canopy in windy or wet conditions.
- Always wear shoes and safety goggles.
- Dispose of all plastic bags safely - keep them out of reach of small children.
- Keep children away from the assembly area.
- Do not attempt to assemble the canopy if you are tired, have taken drugs, medication or alcohol, or if you are prone to dizzy spells.
- When using a stepladder or power tools, ensure that you follow the manufacturers safety advice.
- Ensure that there are no hidden pipes or cables in the wall before drilling.
- Please consult your local authorities if any permits are required to erect canopy.

Note

- You are solely responsible for determining whether the handling, storage, assembly, installation or use of this product is safe and appropriate in any location or for any given application. This product is intended for normal residential use only.
- Do not use this product for any application that is not recommended in these instructions or building codes in effect in location where this product will be used. Always take care and use appropriate safety equipment (including eye protection) when assembling or installing this product.

COMPONENTS

①: Board (x2)

②: Frontal Fixing Bar
(x2)

③: Bracket (x3)

④: Back Fixing Bar
(x2)

⑤: Setscrew (x6)

⑥: Bolt (big) (x4)

⑦: Bolt (small) (x2)

INSTALLATION

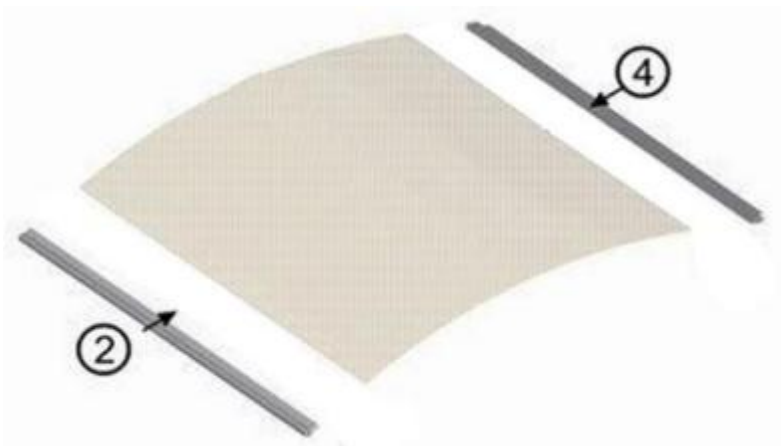

Step 1

Remove the protective film off the board (①).

Step 2

Attach the frontal fixing bar (②) and the back fixing bar (④) to the board (①).

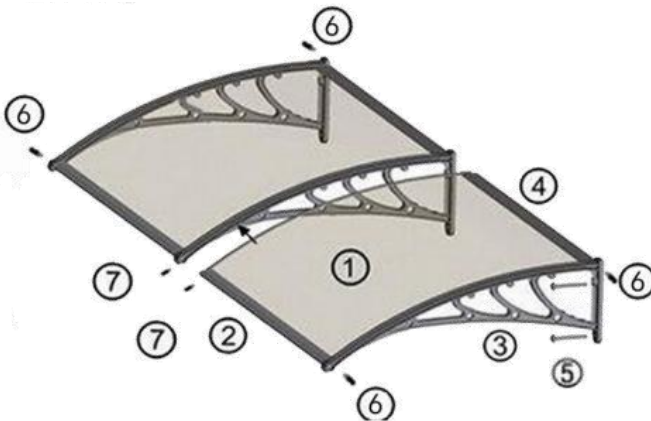

Step 3

Attach two brackets (③) to the assembled unit of step 2 with bolts (⑥) and bolts (⑦). (It's recommend to place the board vertically when mounting the brackets.) Assemble the other canopy with one bracket.

Step 4

Drill 6 holes on the positions as the picture shows. Make sure the holes you drill match the holes of the bracket. Use the setscrews (⑤) to fix the canopy to the desired location.

CLEANING & CARE

- Handle components with care due to sharp corners.
- When your canopy needs cleaning, use a mild detergent solution and rinse with cold clean water.
- Do not use acetone, abrasive cleaners or other special detergent to clean the panel.
