ASSEMBLY

Step 11:

Finish !

WARRANTY INFORMATION

- Do not expose the surfaces to direct sunlight or to extreme environmental conditions.
- Clean the surfaces preferable with a clean damp cloth, then dry with a clean towel.
- Do not use solvents or abrasive materials to clean the unit. If you decide to use a cleaning agent, test first on an area hidden from view.
- Replacement parts might be available to you at no charge, with an original proof of purchase and where a defect has arisen, wholly or substantially, as a result of faulty manufacturing, parts or workmanship during the Warranty Period.
- The warranty does not extend to regular wear and tear, nor the manufacturer assumes liability for damages or consequences due to accidents, incorrect assembly, negligence, improper use, modifications, or not heeding the above warnings.

Thank you !
