

Seville 20" Copper Sink

SINKOLOGY®

Drop-In Bathroom Sink

Model #BOD-0903BC

The Seville drop-in copper bath sink is intentionally designed in a conventional size to make a bathroom update quick and easy. The built-in overflow system sets your mind at ease by ensuring the water stays in the bowl - where it belongs. Our durable, solid copper bathroom sinks are hand-hammered by skilled craftsman and protected by our lifetime warranty.

FEATURES

- 20" x 17" x 5.5"
- Drop-in style makes for an easy DIY retrofit job
- Built-in overflow system prevents water from completely filling the bowl and overflowing
- Hand-hammered, solid 18-gauge copper is protected by our lifetime warranty
- Aged Copper is a warm and vibrant finish with an all-over patina
- Number of pre-drilled faucet holes: 3

INSTALLATION

Sinkology drop-in bathroom sinks are designed to be easy to install in a wide range of countertop materials. Sinkology drop-in bathroom sinks do not use mounting hardware. Our preferred mounting method requires expanding foam and 100% silicone to secure your sink into place.

Drop-in bathroom sink installation instructions are available on the BILT® App. Download the BILT App today and search "Sinkology" to find install instructions specifically for your product and installation type or scan the QR Code for easy access.
