Limited Warranty

*All fixtures and products sold by us are warranted to be free from defects in materials and workmanship for a period of one year from date of invoice.

Our warranty covers only replacement or repair at our factory or authorized repair facility of the defective part(s), to the original purchaser and excludes any responsibility for labor or freight expense incurred by the purchaser or others, for servicing such claim during the warranty period. We reserve the right to issue credit, repair or replace defective merchandise, at our opinion, upon receipt of written notification by the purchaser of the alleged defect, within the warranty period. We further reserve the right to examine the alleged defective product, or other proof, satisfactory to us of the defect.

This limited warranty is in lieu of all other warranties, expressed or implied. We assume no responsibility for labor costs in connection with the installation, removal or replacement of the warranted products, or for consequential damages. We further reserve the right to refuse to honor the above warranty for any product(s) altered, improperly installed, or installed in an application for which it was not intended.

All claims must include sales receipt showing the item and date of purchase.
