Leafy Vines 4

D2832S56627-4775

Part of a series of six unique botanicals, Leafy Vines 4 is a fine art print of falcate leaves on a climbing vine. Against a neutral background, a gently flowing form brings movement along a winding vine of compound and simple leaves and delicately curling tendrils. A softer color palette of thistle green and sage compose the body of the leaves, tendrils, and vine, while splashes of hemlock add dimension. Part of the exclusive ART by TA

Collection, Leafy Vines 4 incorporates the elegance of botanical illustrations with carefully indistinct forms for a balanced, peaceful presence.
