

Cantrell Fixed Rail CARF Series

Features

This decorative dimmable fixed rail features reliable high-performance LEDs. Heads swivel and pivot to direct light where needed and remains cool to the touch when lit. Applications that this fixture could fit well include: kitchens, retail environments, and anywhere that needs highlighted illumination. The fixture mounts to a standard junction box (not included). These fixtures mount to the ceiling or wall.

Construction

The canopy is 22-gauge stamped steel and the rail is made of 20-gauge steel tube. Power supply connections must be made inside a junction box (not included).

Finish

The canopy, rail, and individual rail heads are plated in a satin nickel finish with a clear lacquer topcoat.

Diffuser

Frosted acrylic.

Electrical

Direct wired with a constant current low voltage electric LED driver rated at 120 VAC. Dimmable with standard 2-wire (TRIAC) or electronic low voltage (ELV) dimmer switch.

Lamping

Unit is supplied with rail heads. Each rail head contains non-replaceable high power LEDs which produce a total of 400 lumens per head. The LEDs have an average life of 50,000 hours. 3000K. 90 CRI.

Certification

All fixtures are cETLus listed for damp locations.
ENERGY STAR qualified
Title 24 compliant

Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date of purchase.
