Product Installation Diagram

Max: E27*3*6*8*10*40W

When connecting the wires:

Connect wire color Black/Red from the Fixture Body as one strand of wire.

Connect wire color White/Blue of Hanging Fixture as the other strand. Hold the fixture close to ceiling.

Connect live line to wire color Black/Red from the hanging cord of Fixture Body.

Connect neutral line to wire color White/Blue from the hanging cord of Fixture Body.

You don't need to distinguish between the live and neutral wires; simply connect one of the wires of the same color to either the live or neutral wire of the power supply.

Installation complete.

Your fixture is now assembled and ready to use.
