WALL CLOCK: This Spokane Wall Clock has round brushed aluminum featuring flat glass crystal for a clean, fresh look to match any decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy metal frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: The circle design will ensure you can read the time anywhere in the room. Easily tell time with the large, black Arabic numerals, and black hour, minute, and second hands to stand out over a white dial.

MOVEMENT: It is powered by quartz movement and requires one AA sized battery.
