# ASSEMBLY INSTRUCTION

## Part List

A

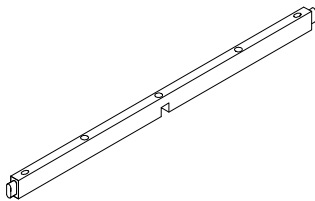

Top Frame = 1pc

B

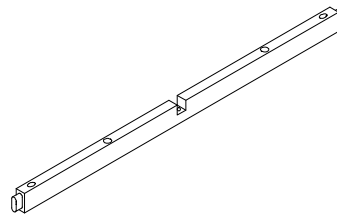

Legs = 4pcs

C

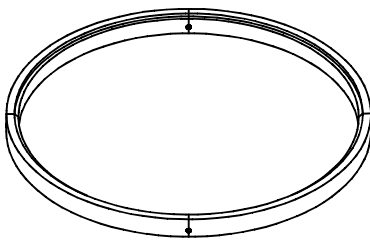

Upper support Legs = 1pc

D

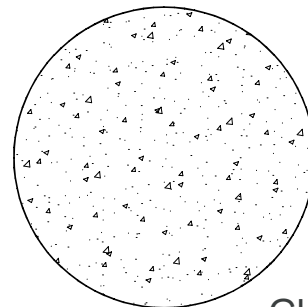

Lower Support Legs = 1pc

E

Glass Frame = 1pc

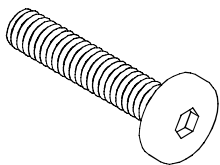

F

Glass Top = 1pc

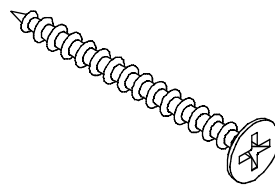

## Hardware List

1

Bolts 1/4" x 30 = 9pcs

2

Flat head screw M4 x 45 = 4pcs

3

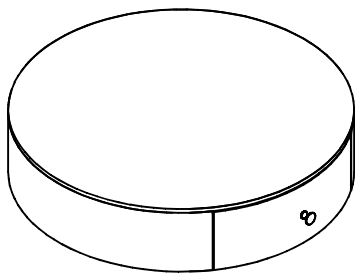

Allen Key=1 pc

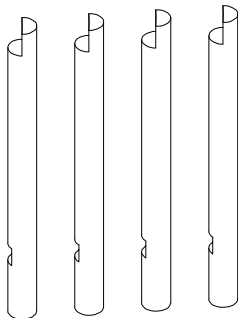

Screwdriver (Not included)

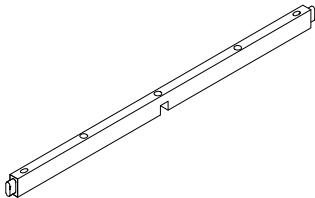

# Assembly Preparation Before Beginning Assembly:

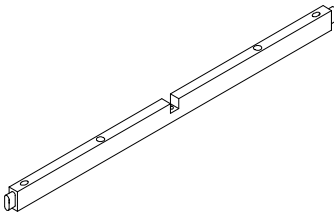

**A** Top Frame = 1pc

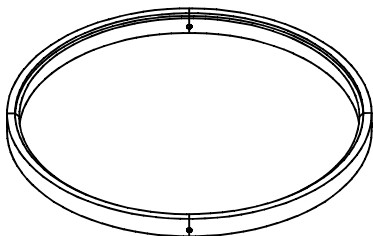

**B** Legs = 4pcs

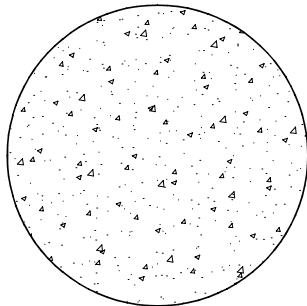

**C** Upper support Legs = 1pc

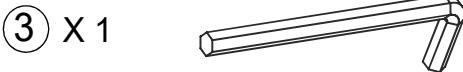

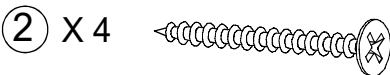

**D** Lower Support Legs = 1pc

**E** Glass Frame = 1pc

**F** Glass Top = 1pc

Screwdriver (Not included)

## Assembly Preparation

### Before Beginning Assembly:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

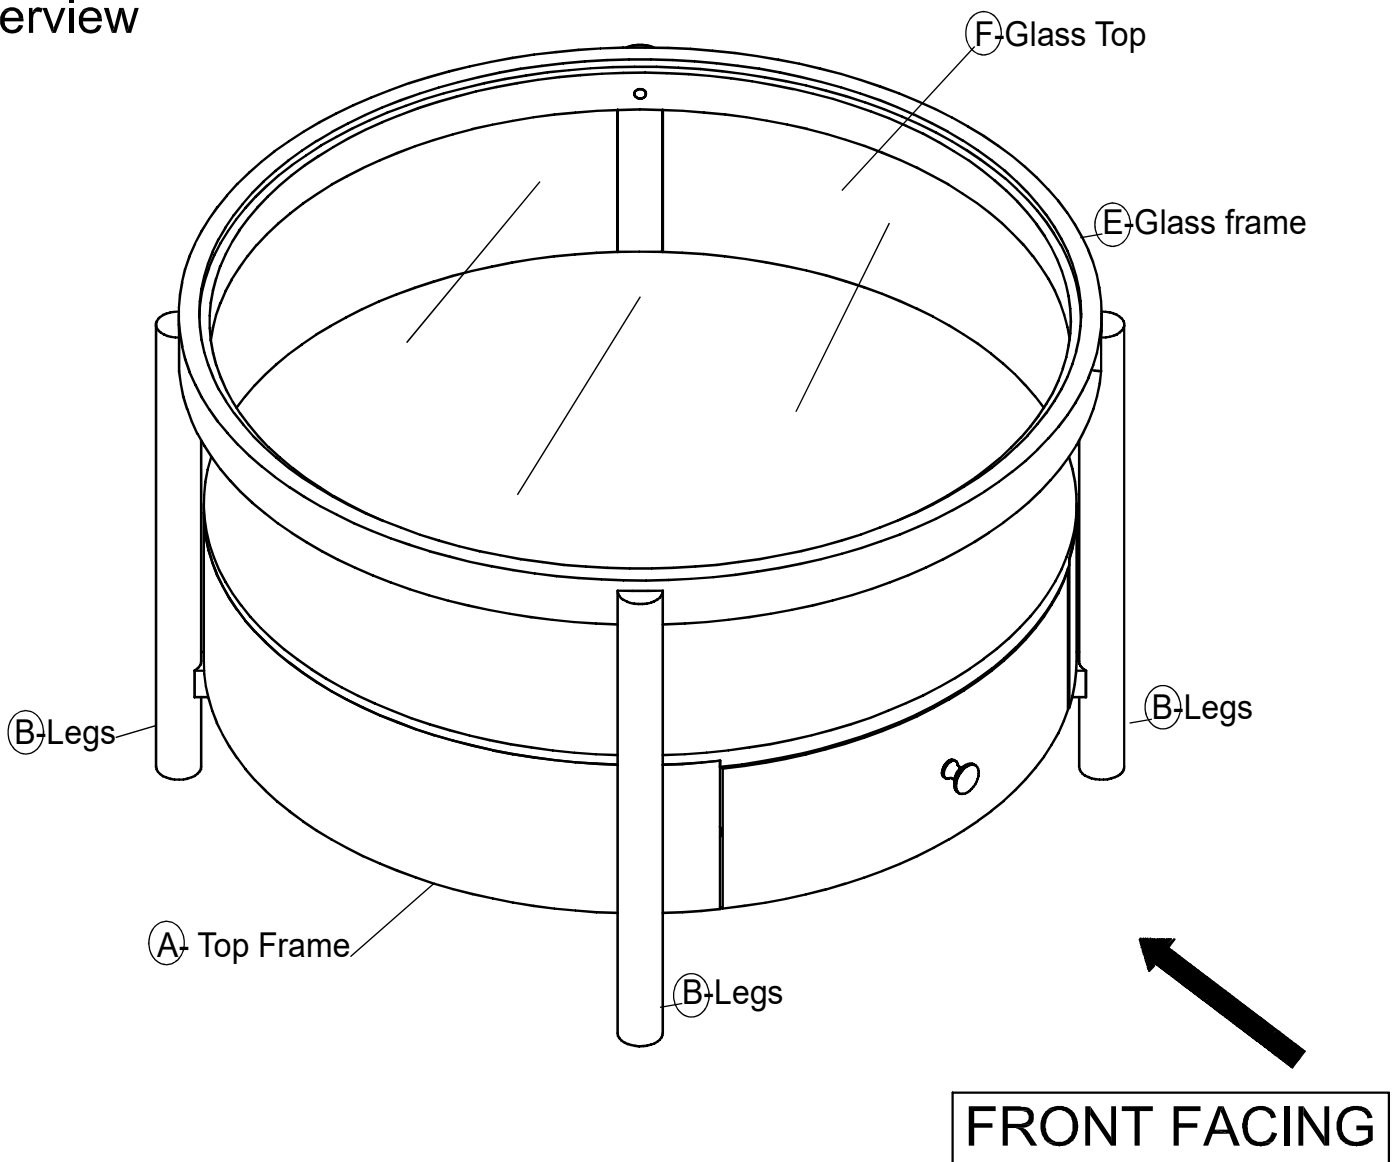

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

## Assembly Steps

### Overview

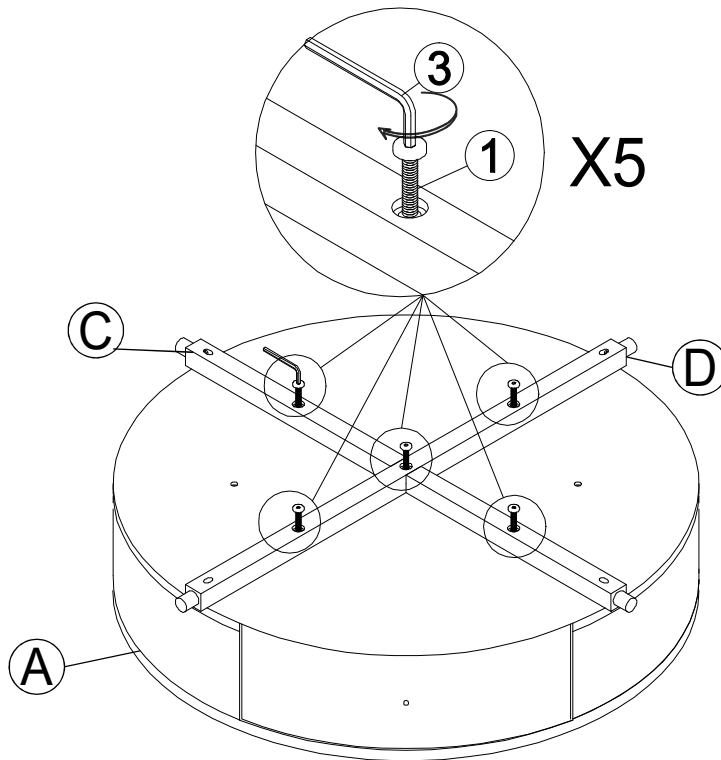

This Coffee Table has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Table parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

# ASSEMBLY INSTRUCTION

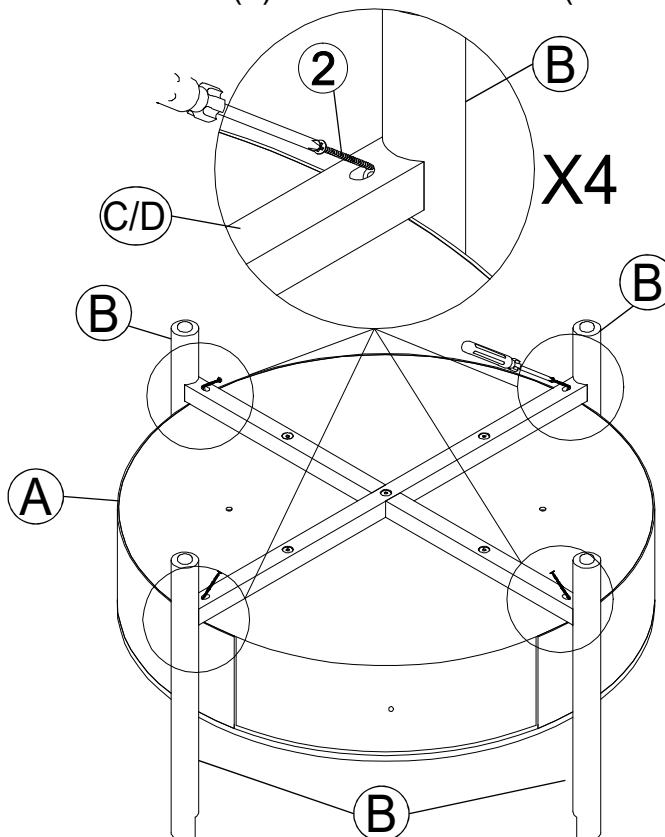

**Step 1** Place the all parts face up on a clean, flat surface to avoid scratches.

Attach the Upper leg support ③ and Lower Leg support ④ onto the underside of the tabletop ①. Using the Bolts (2) and Allen Key (3) to tighten securely.

|                                                                                       |                                                                                       |
|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Bolts<br>1/4" x 30                                                                    | Allen Key<br>K4                                                                       |
|  |  |
| ② x 5                                                                                 | ③ x 1                                                                                 |

**Step 2.** Attach the Legs ⑤ onto the leg support rails, aligning them with the tenon on the support rails ③ and ④. Use Flat Head Screws (2) and a screwdriver (Not included) to tighten securely.

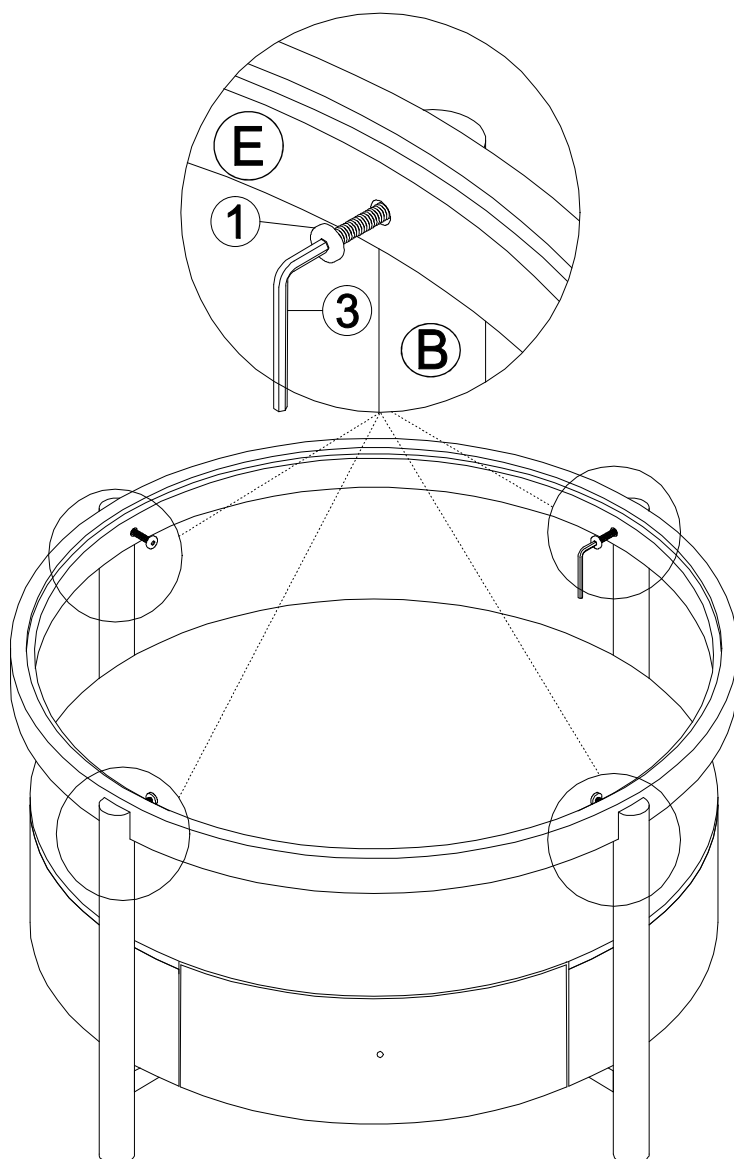

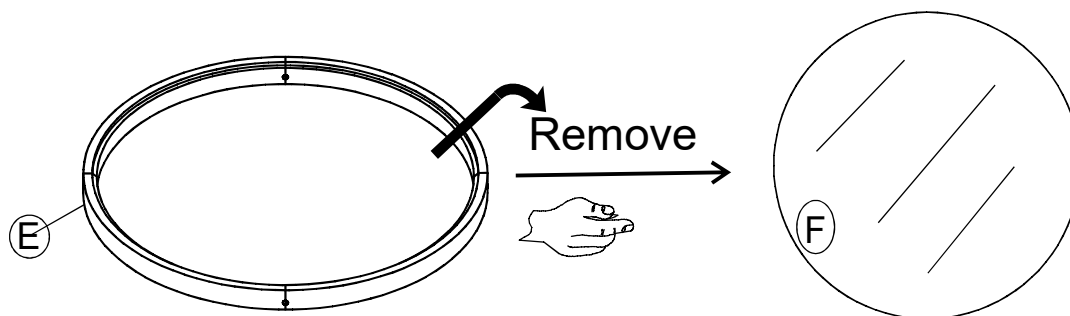

|                                                                                       |                                                                                       |
|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Flat head screw<br>M4 x 45                                                            | Screwdriver                                                                           |
|  |  |
| ② x 4                                                                                 | (Not included)                                                                        |

## ASSEMBLY INSTRUCTION

**Step 3** Now grab a friend and carefully rotate the unit so that it's facing up.

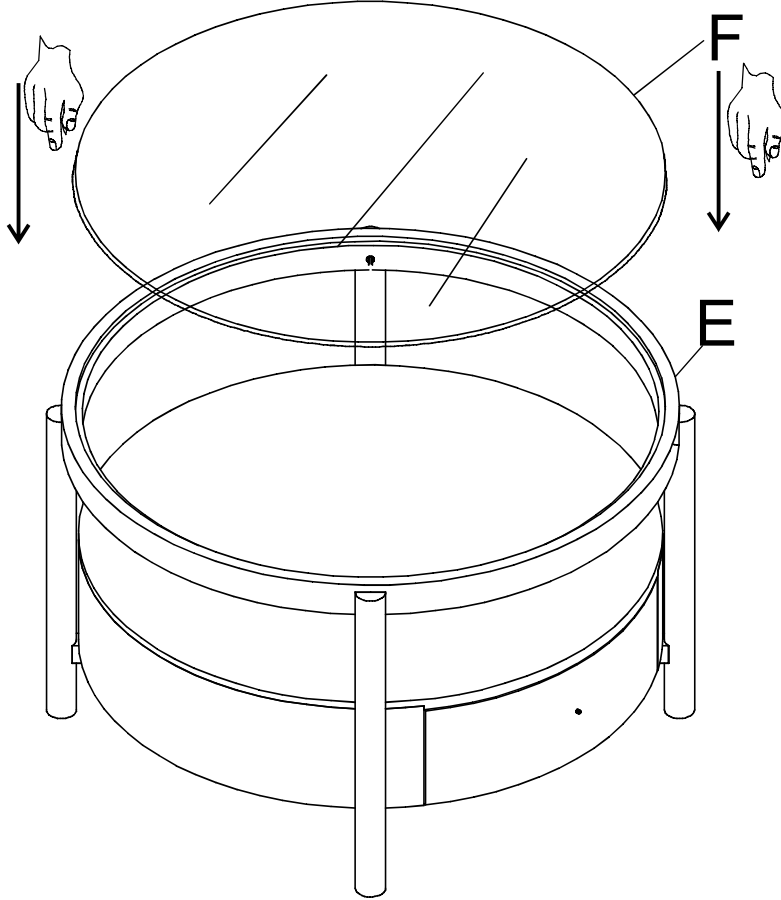

Remove the Top Glass (F) from the Glass frame (E) to outside. Place the glass frame (E) between the Legs (B) and align the holes with the pre-drilled holes on the Legs (B). Using the Bolt (1) and Allen Key (3) to tighten secure.

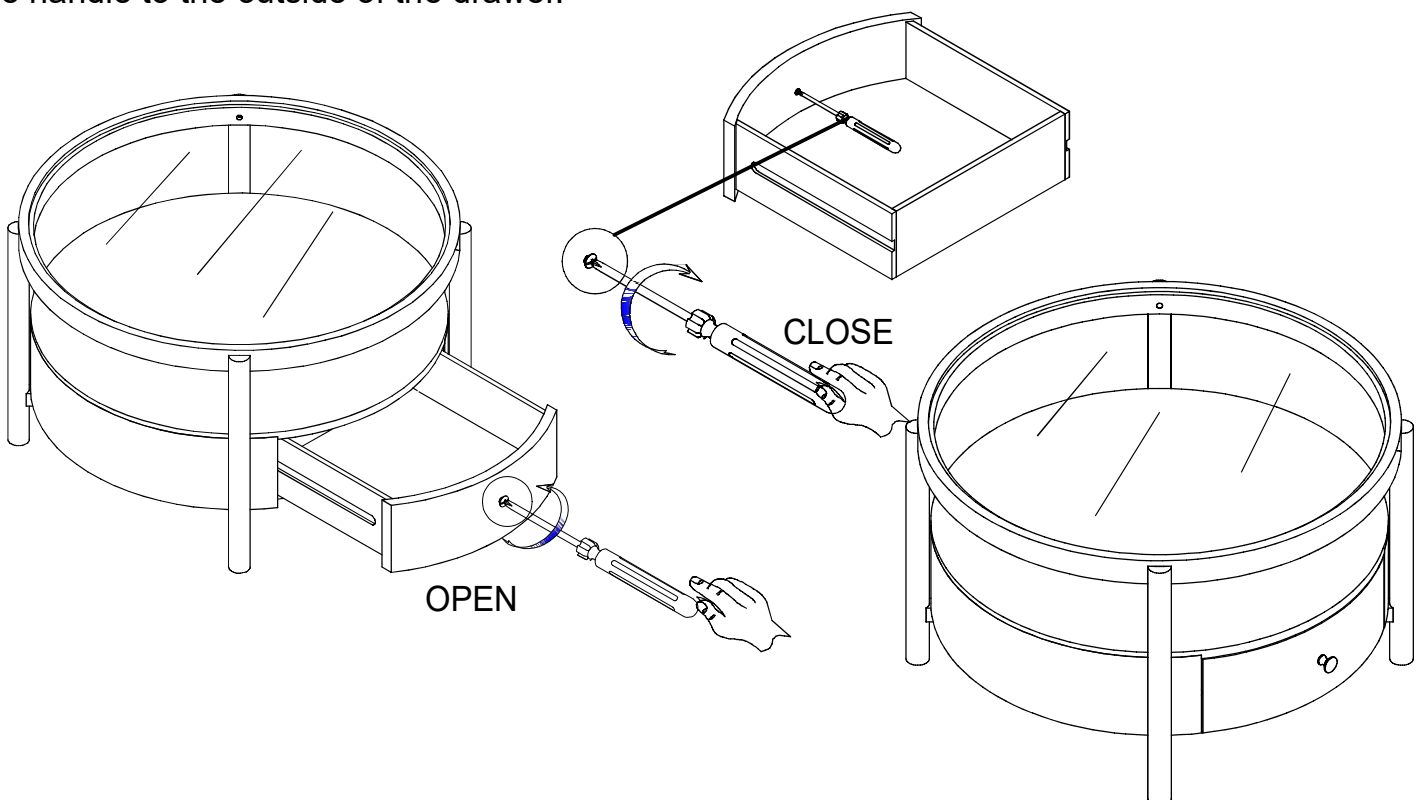

|                                                                                       |                                                                                       |
|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Bolts<br>1/4" x 30                                                                    | Allen Key<br>K4                                                                       |
|  |  |
| ① x 4                                                                                 | ③ x 1                                                                                 |

## ASSEMBLY INSTRUCTION

**Step 3** Ensure all hardware is fully tightened. Carefully place the Glass Top (F) into the Glass frame (E) by hand.

**Step 4** Pull out the drawer slightly. Remove the handle bolts with a screwdriver and reattach the handle to the outside of the drawer.

## ASSEMBLY INSTRUCTION

**Step 5** Check for wobbles on a LEVEL surface.  
Your Coffee Table is ready for use,  
This Coffee Table can only be used on the flat, level surface
