

Sofa Bed Assembly instructions

The same style, different colors, but the installation method is the same.

The backrest is inserted and installed at the rear of the main frame in the form of a pin.

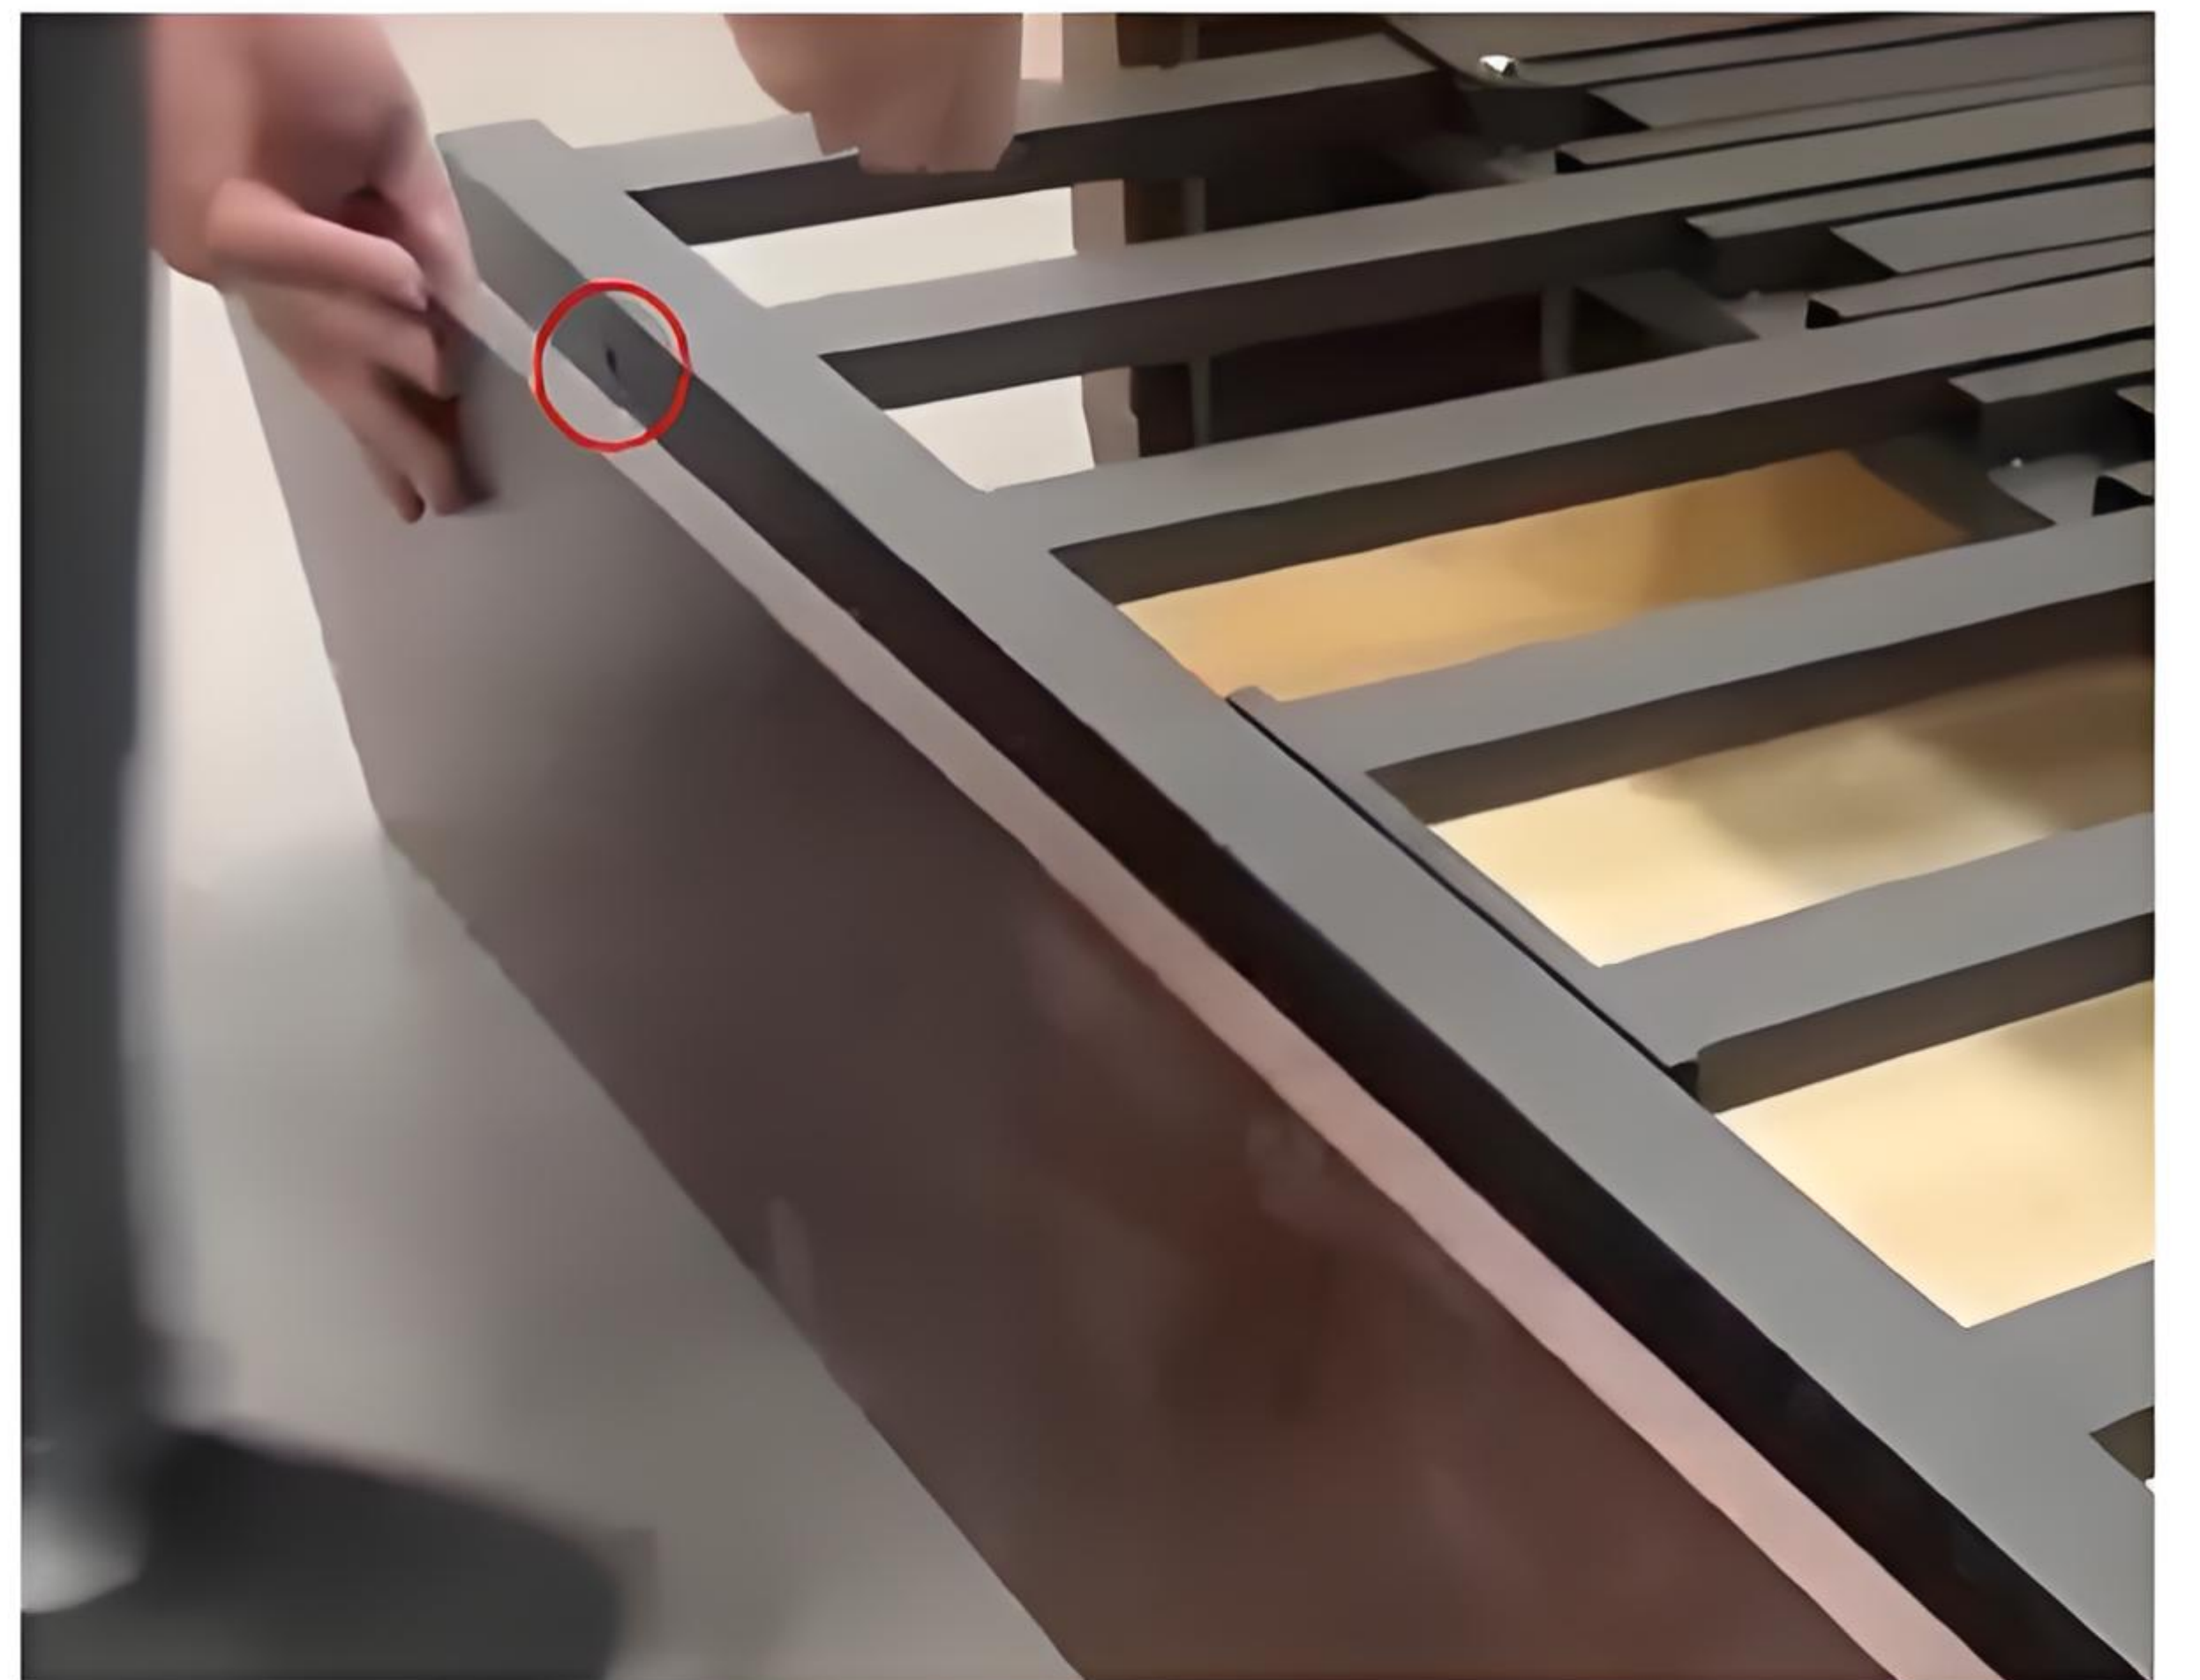

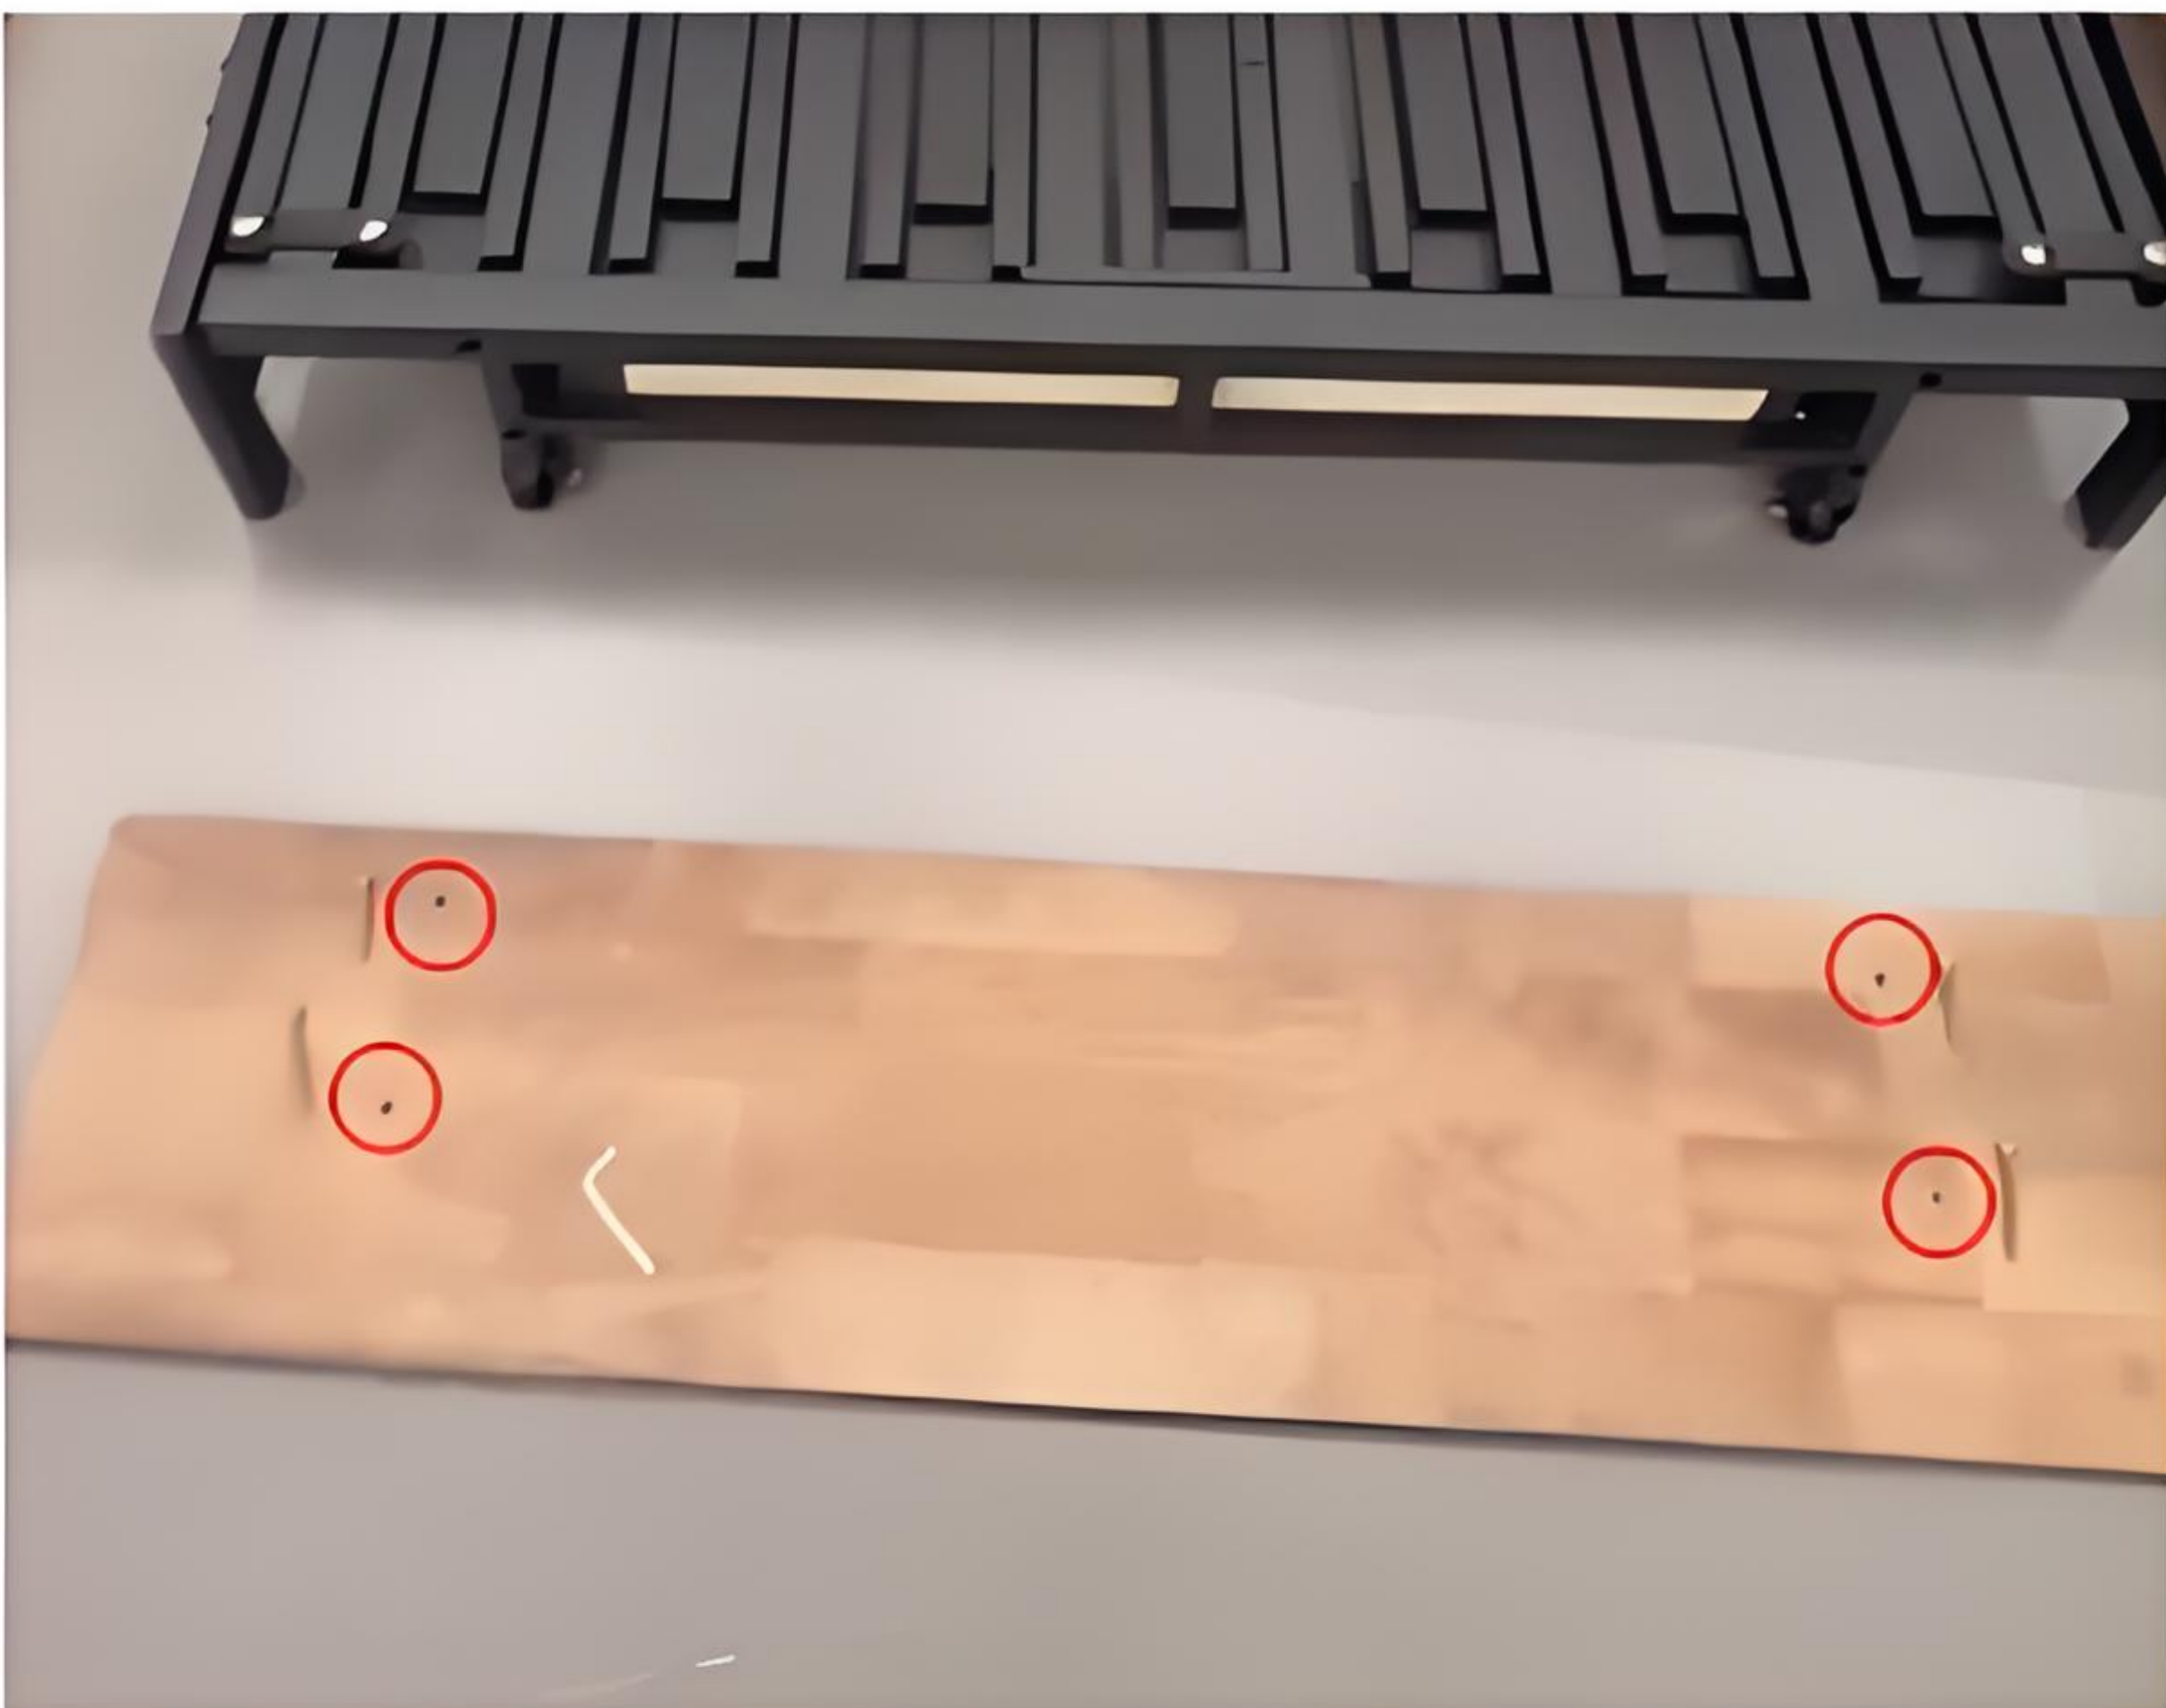

After inserting the backrest, press it firmly to secure it in place.

the armrest installs the same way as the back panel just insert it straight into the pin hole

Pull out the bottom of the sofa bed.

The panel comes with four pre-drilled holes; align them with the frame holes and tighten with the provided screws and tool.

Finally, place the seat and back cushions on.
