

MEDUSA TABLE LAMP LED

Ø225 / Ø315

Carlo Nason

Type Table Light		Design 1969	
		Born from the poetic experimentation of Italian Modernism, this glass masterpiece echoes the sinuous forms of the jellyfish from which it takes its name. Multi-layered, mouth-blown opaline glass diffusers honour the mastery of the Murano tradition while translating Nason's expressive language into a contemporary context. Available in suspension, table and wall versions.
