1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

A. Feed the main wire (1) and ground wire (2) through the chain (3) and canopy (4), then attach the chain (3) to the hanging loop (5).

B. Secure the mounting plate (7) to the junction box using the junction box screws (6).

C. Connect the live wire of the fixture main wire (1) ("L") to the live power supply wire (+) using wire connectors (8); Connect the neutral wire of the fixture main wire (1) ("N") to the neutral power supply wire (-) using wire connectors (8); Ensure that no bare wires are exposed to prevent electric shock.

Use the green ground screw (9) to fasten the fixture ground wire (2) and the house ground wire to the mounting plate (7).

D. Pass the mounting studs (10) through the two small holes on the canopy (4), then tighten the decorative nuts (11) to secure the fixture.

E. Place the glass shade (12) onto the lampholder (13), then secure the glass shade (12) with the shade holder ring (14).

F. Install the light source (15) into the lampholder (13) as indicated and tighten securely.

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
