Assembly Steps

OVERVIEW

This Loveseat has multiple parts and may require up to some 30 minutes to assemble. To give you an overview, the above picture is to help you put the various parts into perspective. Please read through the instructions here below to familiarise yourself with the parts and steps before assembly.

Step 1

Unpack and place all parts on a clean, non-marring surface.

Step 2

2.1 With assistance from your adult partner, attach the Seat Panel(C) to the Left Leg Panel (B) using 2 Bolts(①) and the Allen Wrench(②) as shown in the above picture.

2.2 Attach the Backrest Panel(D) to the Left Leg Panel (B) using a Bolt (①) and the Allen Wrench(②) as shown above.

DO NOT fully tighten the Bolts at this time.

Step 3

With assistance from your adult partner, position the Right Leg Panel (A) to the Seat Panel(C) and the Backrest Panel(D) as shown in the above picture. Then repeat the same process of Step 2 to secure the Right Leg Panel (A) to the Seat Panel(C) using 2 Bolts(①) and the Allen Wrench(②). Then secure the Right Leg Panel (A) to the Backrest Panel(D) using a Bolt(①) and the Allen Wrench(②).

DO NOT fully tighten the Bolts at this time.

Step 4

Stand the Loveseat up, with assistance from your adult partner. Exert pressure floorwards, onto the Loveseat with both your hands. This pressure will help the Legs and Loveseat reach full alignment status. Check for wobbles on a LEVEL surface. If no wobbles are found proceed to tighten all Bolts in a sequential manner, until evenly secured. When tightening the Bolts tighten sequentially. **DO NOT tighten any Bolt fully and then move on towards the next one.** If there are still wobbles, loosen the Bolts and execute the same above process. Adjust the Levelers to the desired height to avoid wobbles. To adjust the Levellers, get assistance from an adult partner to lift/lean and hold the Loveseat while you are working.

Step 5

Place the Seat Cushion(F) and the Back Cushions(E) onto the Loveseat as shown in the above picture.

Step 6

Connect the magic tape straps of the Back Cushion(E) and the Seat Cushion(F) to the Backrest Panel(D) and the Seat Panel(C) as shown in the above picture.
Your Loveseat is ready for use.

This Loveseat can only be used on a flat, level surface.

Step 7

Note: This step is optional in the case you may want to connect all seats in a set together and should be done before placing the cushions.

With assistance from your adult partners, turn the seats up side down and use the pre-fixed clips to connect the them together.
