

Reed Console Table in Washed Wood & Black Metal Assembly Instructions

Unpacking:

Use care when unpacking. Locate ALL PARTS INCLUDED before disposing of packaging materials

Tools Required (not included):

Screwdriver 

Parts Included:

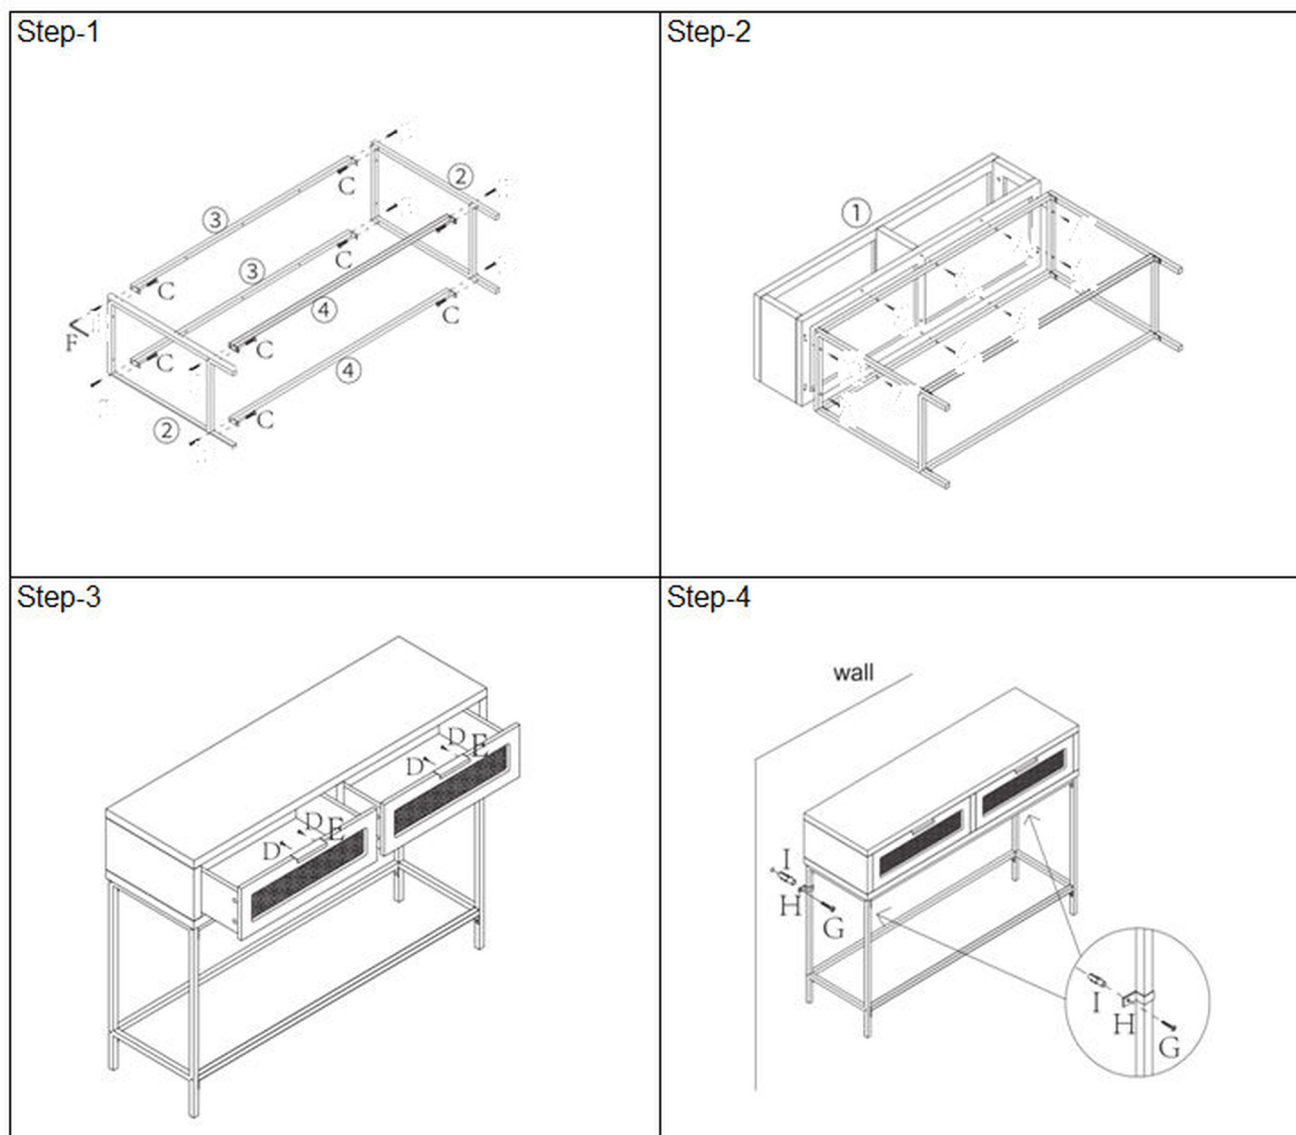

List Figure	No.	Description	Q'ty	Hardware Figure	No.	Description	Q'ty	Hardware Figure	No.	Description	Q'ty	Hardware Figure	No.	Description	Q'ty
	①	table	1						E	handle	2		I	wall plug	1
	②	tube	2						F	allen key	1				
	③	tube	2		C	bolt	8		G	screw	1				
	④	tube	2		D	screw	4		H	wall strap	1				

Assembly Procedure: Refer to Figure 1.

Note: The bolts and screws used in Steps 1 and 2 are pre-installed on the furniture.

- Step 1:** To assemble the table base, attach Tubes (3) and Tubes (4) to Tubes (2) using the pre-installed bolts and Bolts (C). Tighten all bolts with the Allen Key (F) until secure.
- Step 2:** Secure the assembled table base from Step 1 to the Table Body (1) using the pre-installed screws. Tighten the screws with a screwdriver (not included) until secure.
- Step 3:** Attach the drawer Handle (E) by lining up the Handle (E) with the pre-drilled holes in the Table Body (1) and secure with Screws (D). Tighten Screws (D) with a screwdriver (not included) until secure.
- Step 4:** The Anti Tilt Kit (Parts G, H & I) will help prevent the table from tipping over. To install this, determine the desired location for the furniture piece, then attach the Wall Strap (H) to the backside of the Table Body (1). Attach the secured Wall Strap (H) to your wall using the Wall Plug (I) & Screw (G).

Figure 1.

Caring & Cleaning:

To clean, wipe with a soft, dry cloth. DO NOT USE cleaners, scouring pads, etc.
