Assembly Preparation

Before
Beginning
Assembly:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

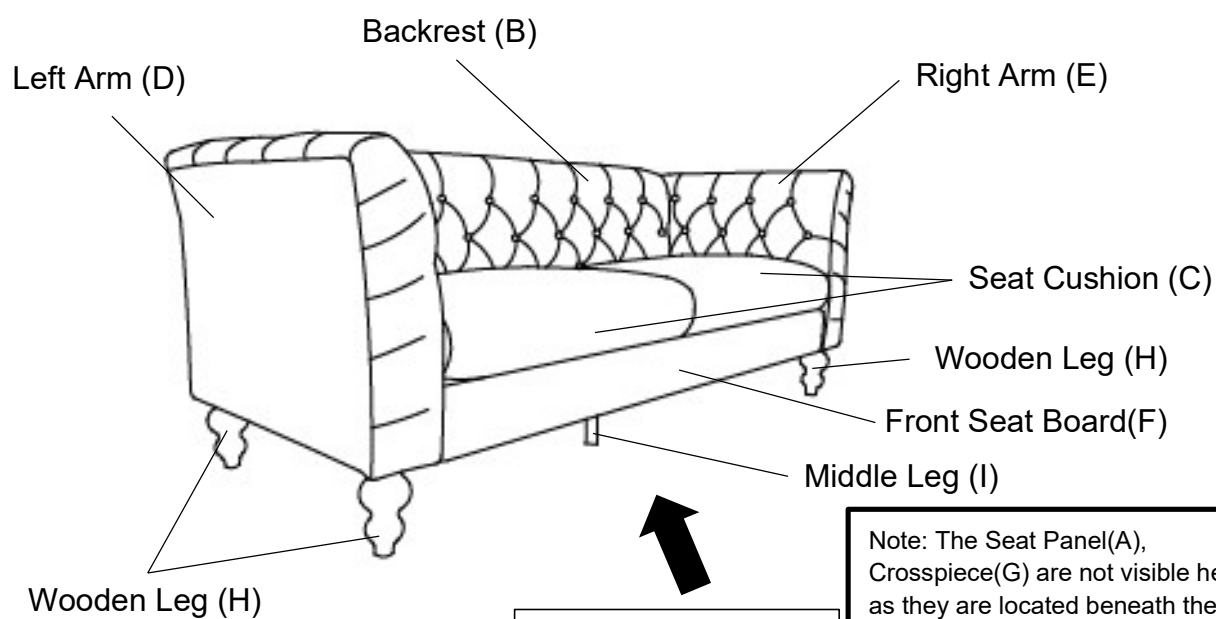

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Overview

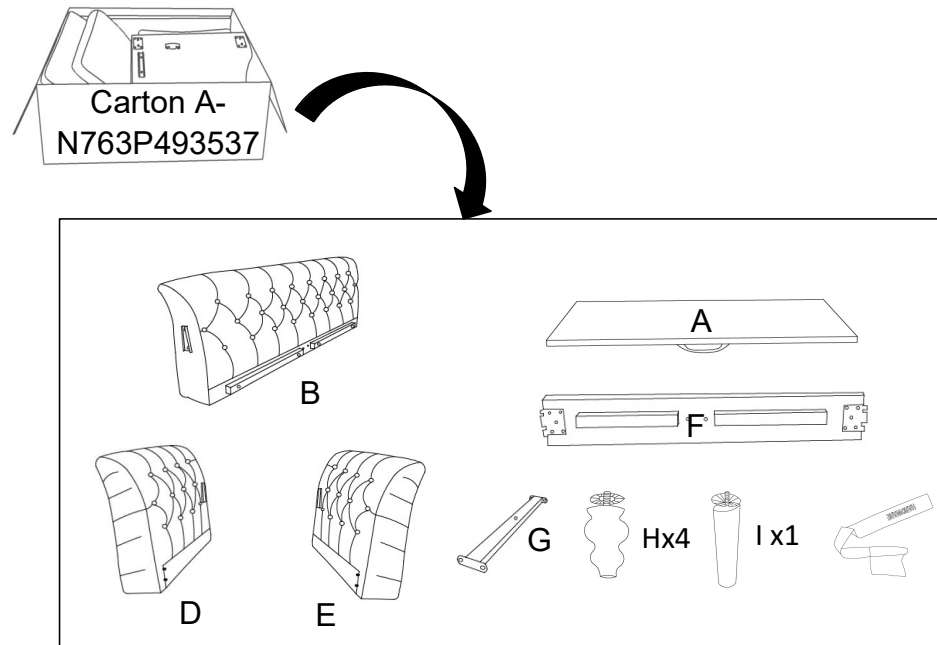

FRONT FACING

Note: The Seat Panel(A), Crosspiece(G) are not visible here, as they are located beneath the Seat Cushion(C)

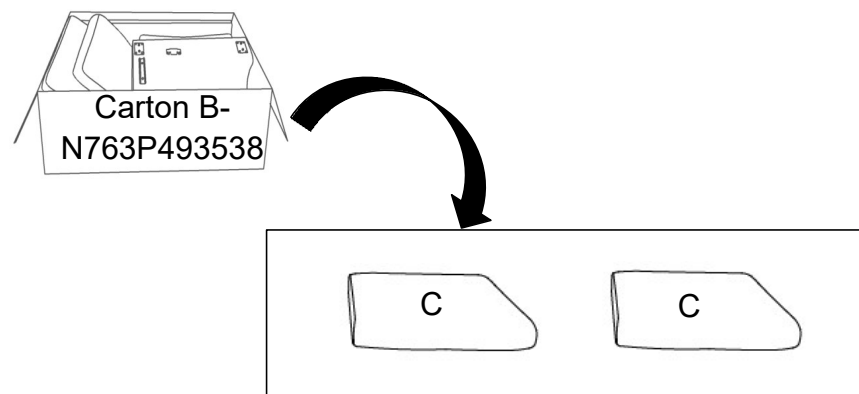

This SOFA has multiple parts and may require about 30 minutes to assemble. To give you an overview of the SOFA parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

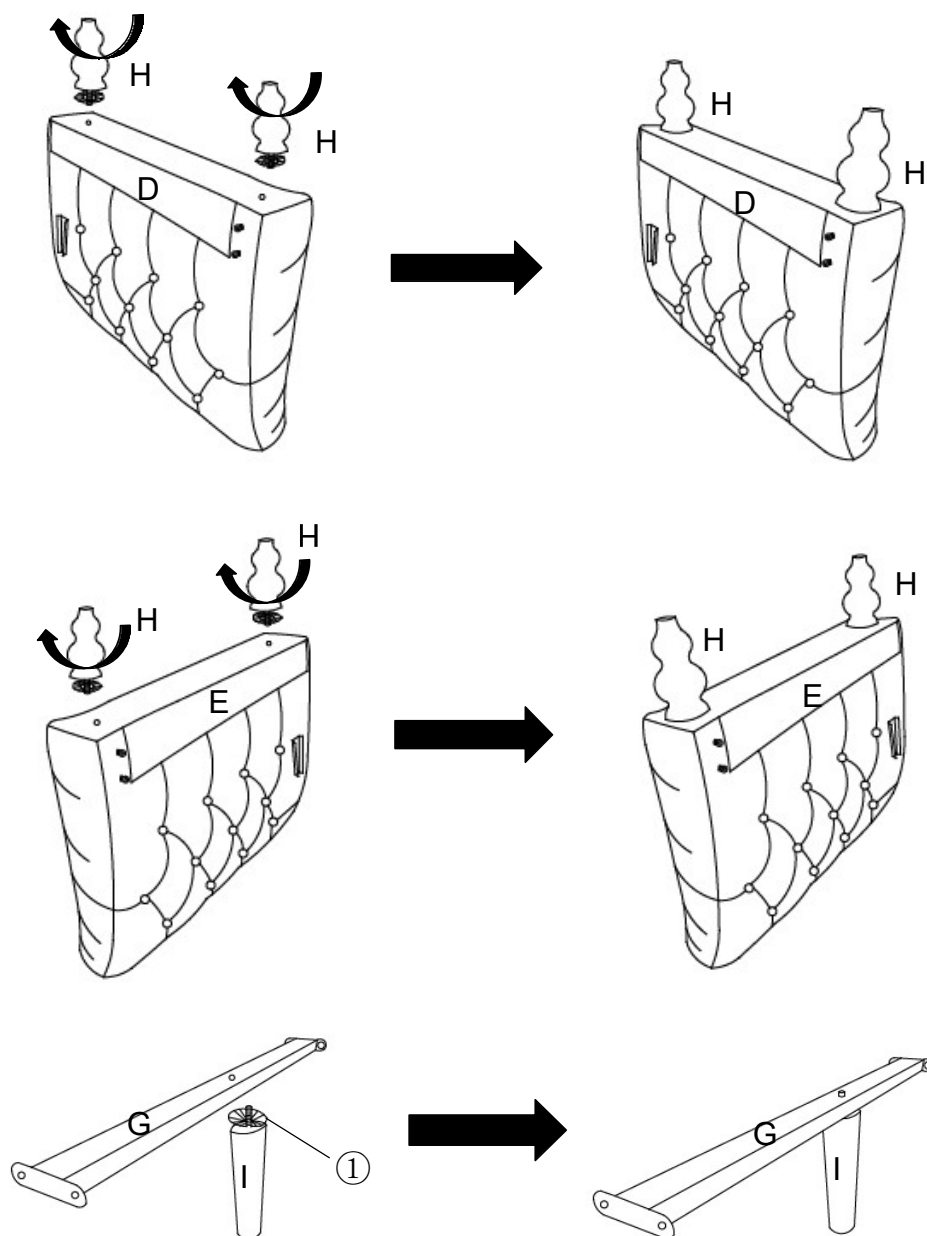

Take the Seat Panel(A), Backrest(B), Left Arm(D), Right Arm(E), Front Seat Board(F), Crosspiece(G), Wooden Leg(H), Middle Leg(I) and Hardware Bag out of the carton and place them on a clean, non-marring surface.

Step 2

Take the Seat Cushion(C) out of the carton and place them on a clean, non-marring surface.

Step 3

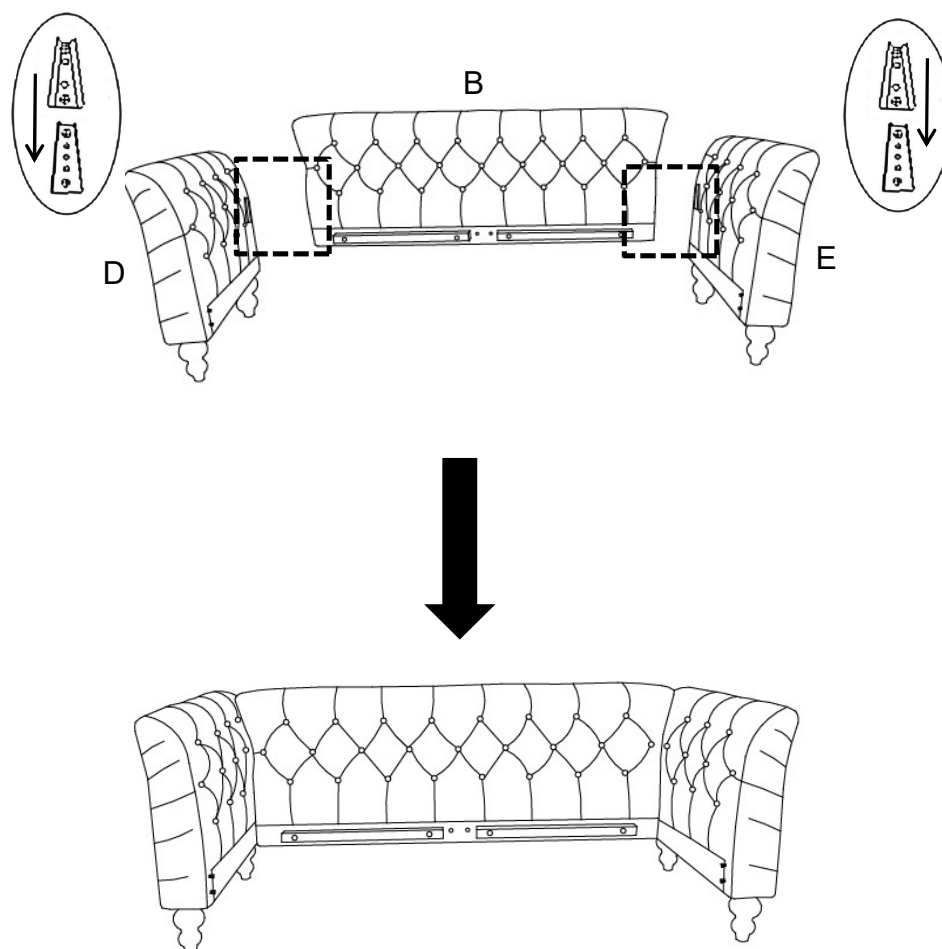

Invert the Arm(D & E) and place it on a clean ground.

Install the Wooden Leg(H) at the bottom of the Arm(D & E). Tighten by turning the Leg clockwise by hand.

Install the Middle Leg(I) at the bottom of the Crosspiece(G) by placing one Gasket(1) on the threaded stem. Tighten by turning the Leg clockwise.

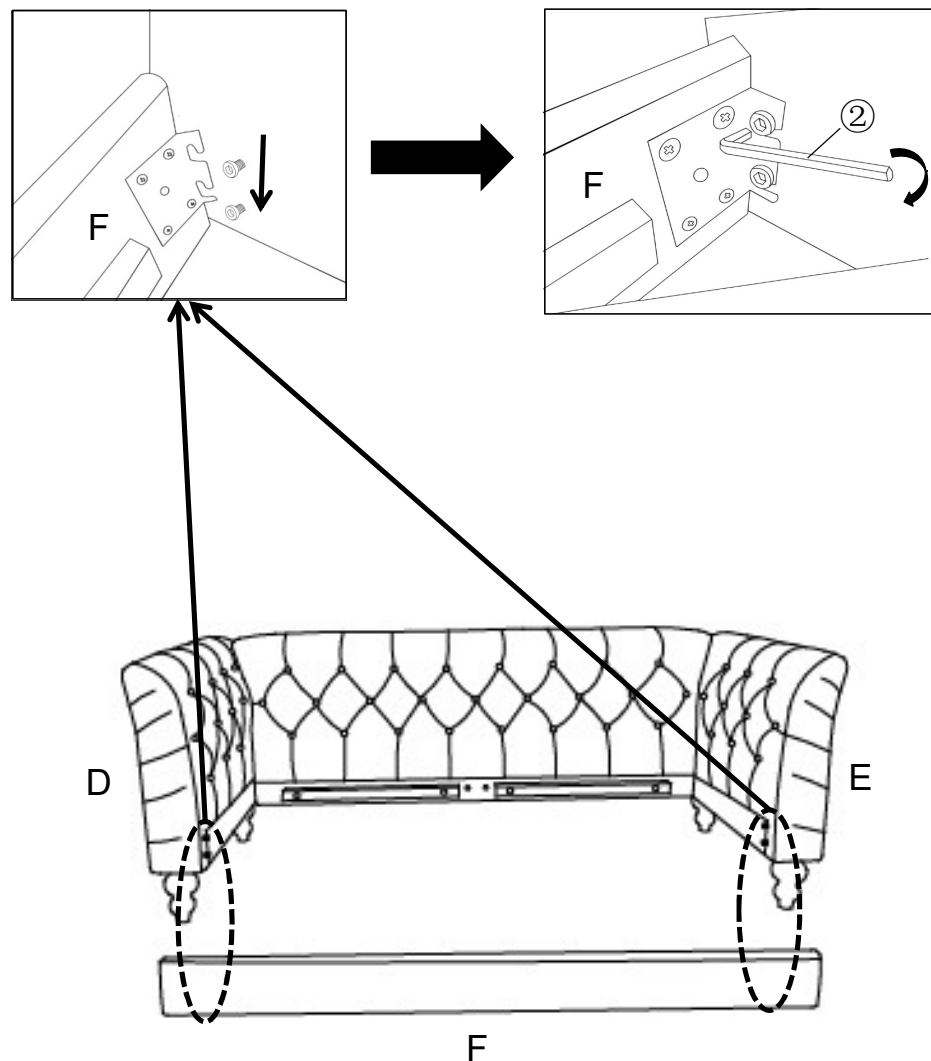

Note: The use of Gaskets are OPTIONAL and are especially useful to help alleviate slight wobbles. Some Legs may need more than one gasket whilst some Legs may not need any.

Step 4

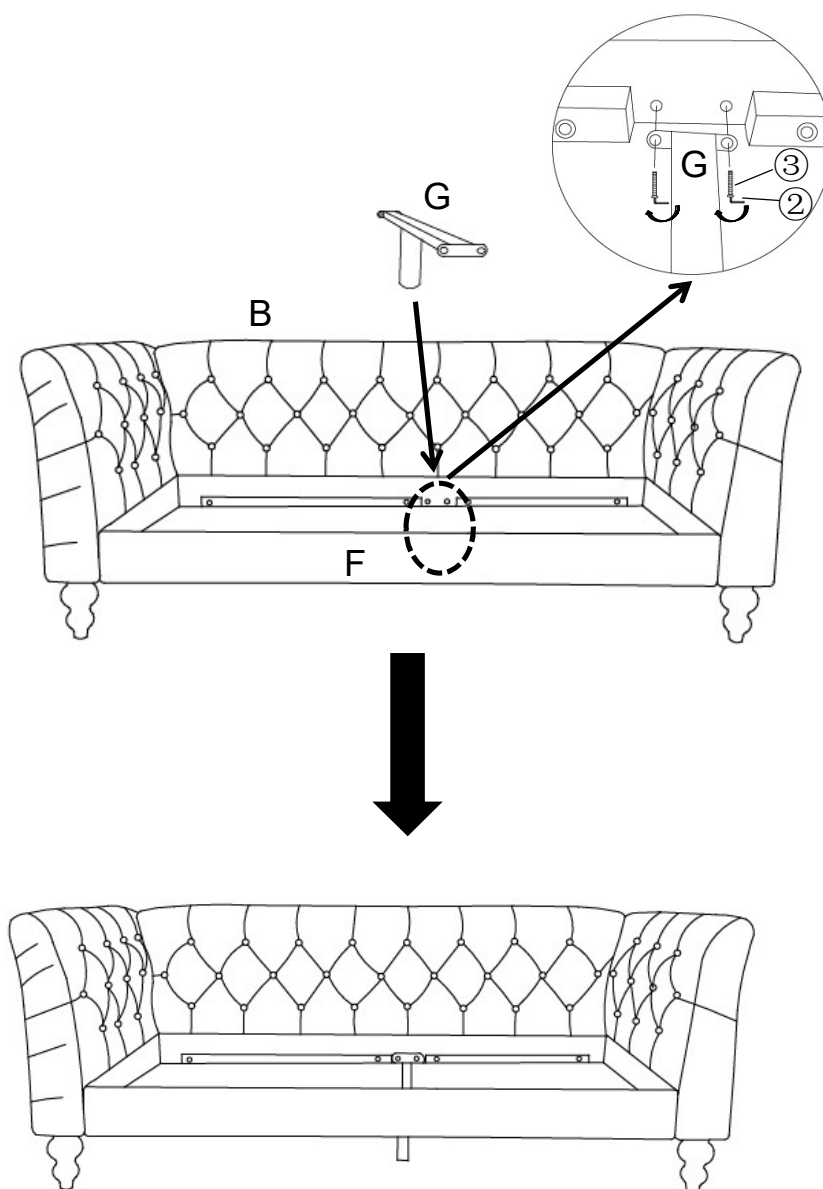

With assistance from your adult partner, hold up the Backrest(B).
Align the mounting brackets on both sides of the Backrest(B) with those on the Left Arm(D) and Right Arm(E).
Then slide Backrest(B) downward by hand to make sure it locks into place as pictured.

Step 5

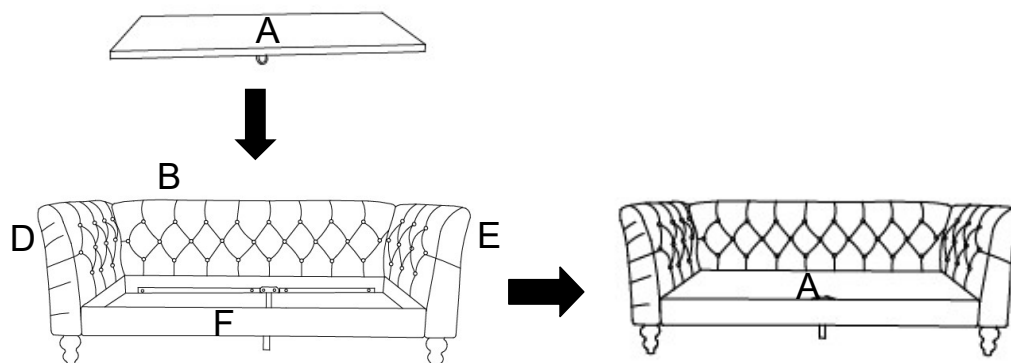

Lift the Front Seat Board(F) and align it with the Left and Right Arm(D & E). Hang the metal hooks of the Front Seat Board(F) on the screws on the Left and Right Arm(D & E), and tighten the handrail screws with Allen Wrench(②).

Step 6

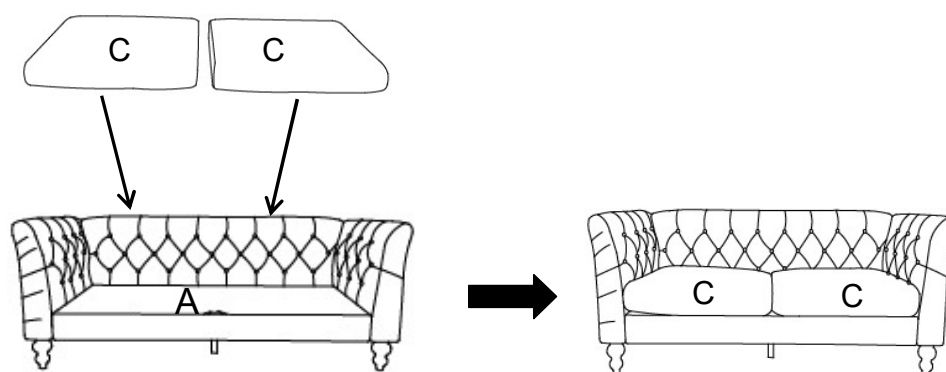

Place the Crosspiece(G) between the Backrest(B) and Front Seat Board(F). Align it with the hole, and connect it with 4 Bolts(③) and Allen Wrench(②).

Step 7

Hold up the Seat Panel(A) and align it to the SOFA.

Step 8

Put the Seat Cushions(C) on the Seat Panel(A).
