

# Installation

Hardware List		Hardware List	
 Table top	1	 Table leg	1
 8x16mm screws and washers	4	 spare 4x15mm Self-tapping screws	8
 Hexagonal screw tap	1		

Adjustable foot pads at the bottom of the support legs (when the ground is uneven, the foot pads can be used to adjust the balance)

8x16mm screw and washer

This is a spare screw hole. When the 8x16mm screw fails to be screwed in, the hole can be fixed with a 4x15mm self-tapping screw. Either way will do.

Put the table top on the table leg, make sure the reserved screw holes of the table top and the frame are corresponding, tighten 8x16mm screws from the bottom to finish the installation.

# Installation

Hardware List		Hardware List	
 Seat	1	 Support leg	1
 8x20mm screw	2	 8x16mm screw	2
 Washers	4	 Hexagonal screw tap	1

1

Note: The wider side (13") of the support foot corresponds to the front edge of the seat and is fixed with 8x16mm screws. The narrow side (12.2") corresponds to the back edge of the seat and is fixed with 8x20mm screws.
