Assembly Preparation

CAUTION: This table is made of glass and is heavy. You must have a second adult to help you during the entire process. Care must be exercised.

Before Beginning Assembly:

-  • Read instructions, cover to cover-
-  • Have 2 adults on hand for assembly-
-  • Do not assemble on flooring or carpet-
-  • Assemble on a clean non-marring surface (packing foam)-
-  • Save all packaging until finished-

Assembly Steps

Parts Introduction

This Glass Table has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the Table parts, the above picture is to help you put the various parts into perspective. Please read through the instructions herebelow to familiarise the parts and steps before assembly.

Step 1

Put Glass Table Main Frame (A) carefully on its side onto a soft, non-marring surface. Peel a Pad (①) off the backing and apply it squarely to an Aluminum Leg as shown in the picture. Repeat this step with the remaining three feet.

Step 2

Turn the Glass Table Main Frame (A) right side up.
Attach the Brackets(3) to the Aluminum Slot of Glass Table Main Frame (A) using Screw(4)
with Allen Key (2) as shown in the picture.
Tightening completely in a sequential manner.

Step 3

Carefully insert Glass Shelf(B) into the Brackets on the Glass Table Main Frame (A).
Tighten the Plastic Bolts at the bottom of the Brackets until the Glass Shelf is secured in place.

Step 3

Your Glass Table is ready for use.
This Coffee Table can only be used on a flat, level surface.

 -   ● Stains may be removed with mild soap solution and damp cloth.
 -   ● Children should not climb or jump on the furniture.
-
-   ● Dust and pick-up spills using a clean, non-colored, lint-free cloth .

What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Why Did I Find a Proposition 65 Warning on My Home Goods Product?

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law, if we don't include this warning.

Should I worry?

We realize you may be worried finding this warning on our products, but we want to reassure you that the hazardous exposure limits for any of these chemicals have never been found on furniture products that we've shipped to our customers. Additionally, this warning label is very common and can be found on almost every piece of furniture sold in the state of California.

Just How Common Are Proposition 65 Warnings?

Proposition 65 warnings have become so common in California that it is hard to take a trip to a local bank, grocery store, or restaurant without finding at least one warning. In fact, even the Disney Land Resort has a Proposition 65 warning:
