Product Details/Options

Name: Sconset Hex Jar

SKU: ACAS-424-01

Size: 16"H x 7.5"W x 7.5"D

Price:

Sconset by Madcap Cottage brings to mind a classic cottage perched high above the shore festooned with climbing roses. The scent of sea breezes perfumes the air and the crash of the waves add a cymbal-like note to the afternoon drama. Modern with the hexagon shape, the geometric pattern has a painterly inspiration in forever fresh blue and white.

Lift off lid.

Materials: porcelain
