

Installation Diagram

Lampshade installation diagram:

1. Make the round holes at the top of the lampshade have openings, as shown in Figure 1, and evenly attach them to the iron ring.
2. After uniform installation, as shown in Figure 2.
3. Press the lampshade outward and downward with both hands from the middle of the lampshade to unfold it.
4. After the lampshade is unfolded, as shown in Figure 4.

Installation steps:

- 1: Use screws, nuts and washers to fix the U-shaped iron pipe to the marble base.
- 2: Insert the curved iron pipe into the U-shaped iron pipe and fix it with two screws.
- 3: Install the screw on the other side of the U-shaped pipe, and then tighten the tabletop.
- 4: Turn counterclockwise to remove the fixing ring, and place the lampshade on the lamp head.
- 5: Tighten the fixing ring onto the lamp head.
